Subject: Invitation for Guest Lecture of First Year Student.

Dear Sir,

Dr. A. D. Shinde college of engineering is one of the renowned institute is western Maharashtra established in 2014. Our institute is approved by AICTE New Delhi, recognized by DTE Mumbai and affiliated to Shivaji university Kolhapur. We are offering 5 UG course in Civil, Mechanical, Electrical, Computer Science and Electronics and Computer Science with intake of 300. Our institute has played very important role in providing quality technical education to rural youth and contributed to national growth. Our distinguished alumni are working at top posts in various companies all across the world.

During this academic year we have organized a 'Student Induction Program'(SIP) for newly admitted first year students. Student induction program mainly focuses on teaching 'universal human values to students and their orientation to study engineering.

We take this opportunity to cordially invite you as a Resource Person to deliver a guest lecture to first year students. The program is scheduled on Wednesday 29th August 2023 in auditorium of our institute of 11am.

I request you to kindly accept our invitation and grace the occasion by your august presence.

Thanking you

Dr. D. V. Ghewade

Session on Problem Solving and Identification Workshop

The Workshop on “**Python with Data Science**” was organized by IIC, Dr. A. d. Shinde college of engineering, Gadhinglaj on 25th Oct 2023 to 27 Oct 2023. The main objectives of this workshop are Enhancing the knowledge and skills of students in the area of Python programming for data science applications. Equipping students with the latest tools, techniques, and best practices in data science using Python.

Outcomes of the workshop:

1. Promoting research and innovation in the field of data science through Python programming.
2. Fostering collaboration and networking among students in the field of data science.
3. Encouraging continuous learning and professional development among students to stay updated with the rapidly evolving field of data science.
4. 7. Ultimately, improving the quality of education and research in data science by strengthening the expertise of faculty members in Python programming for data science applications.

For this we had invited **Mr.Nitin Naik. He completed is M. E. in Electronics** he also completed MBA as well as Master Certification in AI, NiSM Certified. The guest given the task and explained professionally how to use the Python and how we use it in all subject problem. The session was very interactive where the faculty posted some queries and the guest speaker clarified their doubts. For this workshop 70 students and 7 faculties were participated in this workshop.

A Report on Idea Competition / Challenges

Idea competition / challenges under lead college cluster 21, Shivaji University Kolhapur was organized by IIC, Dr. A. D. Shinde College of Engineering, Gadhinglaj on 16 Oct 2023. The main objective is providing an opportunity to bring the social responsibility, Professional Ethics, Team work among students and to apply knowledge, gain practical experience and expand skill set.

Outcomes of the Guest Lecture:

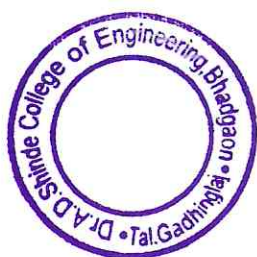

After completion of the idea competition / challenges the students are expected to:

- Practice acquired knowledge within the chosen area of technology for project development.
- Identify, discuss and justify the technical aspects of the chosen project with a comprehensive and systematic approach.
- Reproduce, improve and refine technical aspects for engineering projects.
- Work as an individual or in a team in development of technical projects.
- Communicate and report effectively project related activities and findings.

For this we had invited **Mr. Rohit Kadam**, for judging. He is Managing Director at Robosap Innovation Pvt. Ltd. which is situated at Nipani Karnataka. Total 33 groups were participated in this competition from BVCOE Kolhapur, DYPCOE Salokhenagar, SGMCOE Mahagaon, DKTE Ichalkaranji and DADSCOE Bhadgaon. Mr. Rohit Kadam has given very good feedback about the Idea Competition / Challenges.

Dr. A. D. Shinde College of Engineering, Bhadgaon.

A Report on Entrepreneurship and innovation

A Workshop on "Entrepreneurship and innovation" was organized by IIC, Dr. A. D. Shinde College of Engineering, Gadhinglaj on 18th Nov 2023. The main objective this one-day Workshop on "Entrepreneurship and innovation" is to make the students to get familiarize with design, innovation.

Outcomes of the workshop:

After completion of the one-day workshop "Entrepreneurship and innovation", the students are expected to:

- Understand creative problem solving and iterative prototyping.
- Understand how to do effective decision making
- Analyze the market distribution and value creation.

For this we had invited **Dr. G. A. Patil**, Associate Professor, Computer Science and engineering department of D. Y. Patil Institute of engineering Kolhapur. The speaker also suggested some areas in which faculty can find problems for their design and innovation regarding their work or project. The session was very interactive where the students posted some queries and the guest speaker clarified their doubts. For this program 90 students 5 faculties were participated.

Report on **Intellectual Property Rights**

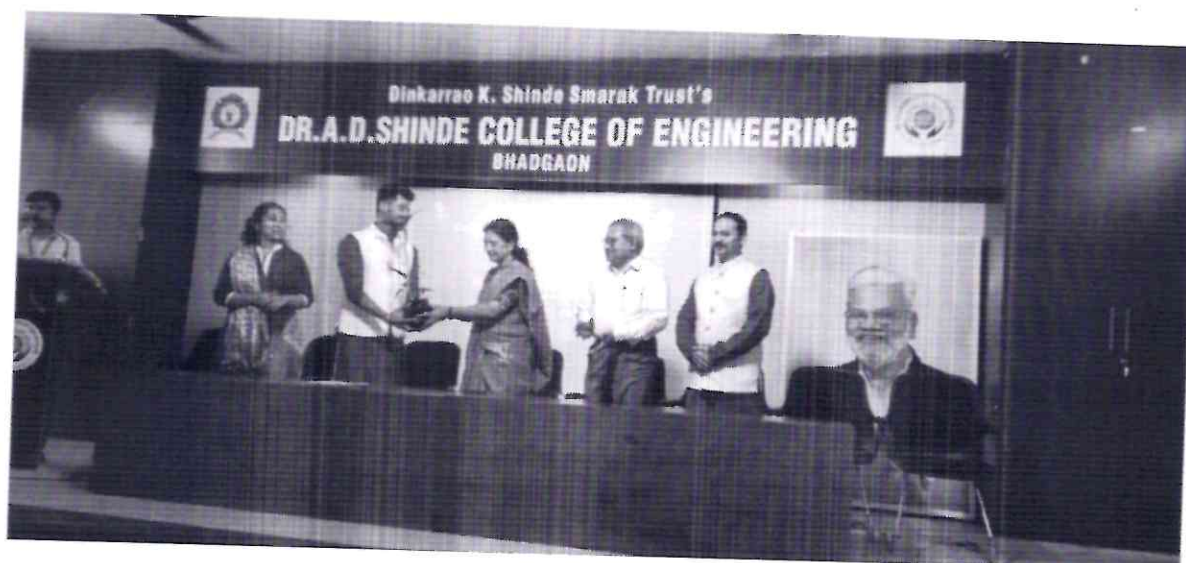

The Expert Talk on “**Intellectual Property Rights**” was organized by IIC, Dr. A. d. Shinde college of engineering, Gadhinglaj on 22nd Jan2024. The workshop on intellectual property rights aims to educate participants about the significance and intricacies of intellectual property protection. It seeks to foster an understanding of the various forms of intellectual property, including patents, trademarks, copyrights, and trade secrets, and their roles in fostering innovation, creativity, and economic development. Through interactive sessions and case studies, the workshop aims to equip attendees with practical knowledge on how to identify, protect, and manage intellectual property assets effectively, while also highlighting the importance of ethical considerations and the global landscape of intellectual property rights. Ultimately, the workshop endeavors to empower participants to navigate the complexities of intellectual property law and strategically leverage their intellectual assets for competitive advantage and societal benefit.

Outcomes of the workshop:

1. The main objective of the IPR is to make the students aware of their rights for the protection of their invention done in their project work.
2. To get registration in our country and foreign countries of their invention, designs and thesis or theory written by the students during their project work and for this they must have knowledge of patents, copy right, trademarks, designs and information Technology Act.
3. Further teacher will have to demonstrate with products and ask the student to identify the different types of IPR's.

For this we had invited Mr. Dhruv Brambhatt, Managing Director, MYCrave Consultancy & Services Miss. Pooja Menon, Chief Operating officer, MYCrave Consultancy & Services. Mr. Kishor Shendge, Vice President and patent analyst and commercialization, MYCrave Consultancy & Services. Mr. Abhay Powar, Sales Exicutive, MYCrave Consultancy & Services. The guest given the task and explained professionally how to use the IPR and how we use it in all subject problem. The session was very interactive where the faculty posted some queries and the guest specker clarified their doubts. For this workshop 60 Fuculty and 300 Students were participated in this workshop.

Guest Felicitation by Prof. Swati kori Mam

A Report On Aptitude & behavioral Development.

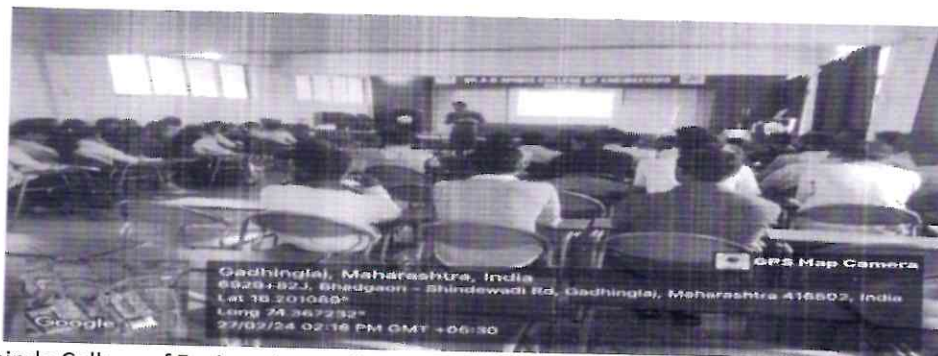

An expert talk on "Aptitude & behavioral Development" was organized by IIC, Dr. A. D. Shinde College of Engineering, Gadhinglaj on 27th Feb. 2024. The main objective this one day Guest Lecture on "Problem-Solving Practice & Communication Skills" is to make the students to get familiarize, Regularly engage in problem-solving activities to sharpen your analytical skills. Work on both verbal and non-verbal communication skills.

Outcomes of the Guest Lecture:

After completion of the Guest Lecture "Problem-Solving Practice & Communication Skills", the students are expected to:

- How to solve puzzles, participate in mathematical challenges or even tackle real-life problems in your area of expertise.
- Understand how Problem are solving in the current Situation.
- Understand to improve communication skill.

For this we had invited **Mr. Bhavin Shah**, He is Aptitude Trainer ,Aptech Solution, which is situated at Kolhapur Maharashtra. The speaker also suggested some areas in which students can find problems for their final year projects. The session was very interactive where the students posted some queries and the guest speaker clarified their doubts. For this program **100** students . Also, for this program 25 faculties were participated.

A Report on Design thinking, critical thinking and innovation

A Workshop on "Design thinking, critical thinking and innovation design" was organized by IIC, Dr. A. D. Shinde College of Engineering, Gadhinglaj on 28th February 2024. The main objective of this one day Workshop on "Design thinking, critical thinking and innovation design" is to make the faculty to get familiarize with design, innovation.

Outcomes of the workshop:

After completion of the one day workshop "Design thinking, critical thinking and innovation design", the faculties are expected to:

- Understand creative problem solving and iterative prototyping.
- Understand how to do effective decision making
- Analyze the market distribution and value creation.

For this we had invited **Dr. Rudresh Magadam**, Associate Professor, Electrical and Electronics Engineering, KLS Gogte Institute of Technology. The speaker also suggested some areas in which faculty can find problems for their design and innovation regarding their work or project. The session was very interactive where the faculty posted some queries and the guest speaker clarified their doubts. For this program 150 students 25 faculties were participated.
