### Report on word environment day

#### Event Details

Activity Title	Tree Plantation
Date	05/06/2024
Venue	DADSCOE College Campus.
Time	10.00 am
Activity Coordinator	Prof. S.A.Killedar

#### Objectives

1. Increase Global Environmental Awareness.
2. Promote Sustainable Practices and Lifestyles.
3. Encourage Positive Action for the Environment and Highlight the Importance of Biodiversity and Ecosystem Protection.

#### Description

The **World Environment Day** celebration was organized with great enthusiasm at our institution in collaboration with the **National Service Scheme (NSS)** wing. Observed globally every year on **June 5th**, World Environment Day serves as an important reminder of our collective responsibility to protect and preserve the environment. Initiated by the **United Nations in 1972**, this day has evolved into one of the largest global platforms for public outreach, addressing pressing environmental issues and encouraging sustainable practices across communities worldwide. Each year, a specific theme is highlighted, motivating people to work together for a greener and healthier planet.

The program commenced with the **inauguration by the Hon. Principal**, who delivered an inspiring address on the vital role of trees in maintaining ecological balance. The Principal emphasized how increasing green cover helps combat climate change, purify the air, and ensure a healthy environment for future generations.

A **guest speaker**, a respected environmentalist, further enriched the event by sharing valuable insights on environmental conservation. Through his speech, he highlighted the **economic, social, and long-term community benefits** of tree plantation, encouraging students to adopt sustainable lifestyles and become proactive environmental caretakers.

As part of the celebration, the college organized a **Tree Plantation Drive** on the campus. This initiative

Dinkarrao K. Shinde Smarak Trust's

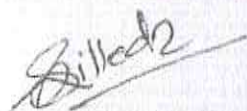

## Dr. A.D. Shinde College of Engineering

Guddai, Bhadgaon, Tal: - Gadhinglaj, Dist: - Kolhapur

As part of the celebration, the college organized a **Tree Plantation Drive** on the campus. This initiative reflected the college's continuous commitment to environmental sustainability and climate action. Students, faculty members, and non-teaching staff participated with great zeal, planting a variety of saplings in designated areas of the campus. The drive aimed to increase the campus's green cover, promote biodiversity, and spread awareness about the importance of trees in maintaining a healthy ecosystem.

The participants took part enthusiastically, demonstrating teamwork and responsibility. The event not only provided hands-on experience in tree planting but also fostered a sense of environmental stewardship among the students. The planted saplings symbolize hope and a promise toward a greener future.

Overall, the World Environment Day celebration proved to be an enlightening and impactful event. It successfully conveyed the message of sustainability and encouraged everyone to take small but meaningful steps toward protecting our environment. The collaboration with the NSS unit played a crucial role in mobilizing student volunteers and making the programme a memorable success.

### **Awareness Programme on Pradhan Mantri Fasal Bima Yojana (PMFBY)**

An awareness programme for farmers on the importance of the Pradhan Mantri Fasal Bima Yojana (PMFBY) was organized at Dr. A. D. Shinde Engineering College, Gadhinglaj. The objective of the programme was to guide farmers about the benefits of crop insurance and to encourage them to protect their crops through the government scheme.

During the session, farmers were informed about how crop insurance helps reduce financial loss during natural disasters, irregular rainfall, pest attacks, and other uncertainties. They were made aware of the eligibility criteria, required documents, timelines, and advantages of enrolling under the PMFBY scheme. Along with the awareness session, the college's Agriculture Assistance Cell also helped farmers by accepting and processing their crop insurance premium. The farmers submitted the necessary documents such as Aadhaar card, bank passbook, and 7/12 extract, and the staff assisted them in completing the premium payment procedure. Many farmers from nearby villages benefited through this activity.

This initiative ensured that farmers received the correct information and timely support for their crop insurance. The college staff coordinated the entire programme and guided the farmers throughout the process. Farmers appreciated the efforts made by the institution for creating awareness and helping them complete their crop insurance premium formalities smoothly.

The programme was conducted with the aim of supporting the farming community and encouraging more farmers to take advantage of the Pradhan Mantri Fasal Bima Yojana for their agricultural security.

## Overview

### Objectives of this session:

Raise Awareness About Pollution at Bhadgoan rural village: To educate people about the different types of pollution- air, water, soil, and noise and their harmful effects on health, ecosystems, and climate.

### Benefits in terms of Learning/Knowledge obtained

1. People learn about the different types of pollution, such as air, water, soil, and noise, and how they impact the environment and human health.
2. People and businesses are encouraged to adopt eco-friendly practices like reducing waste, controlling emissions, and using renewable energy.

**Name of the activity: National Pollution Control Day**

**Overall report of the activity:**

December 2<sup>nd</sup> 2024 **National Pollution Control Day**, a day dedicated to raising awareness about the server consequences of environmental pollution. This day serves as a reminder of the tragic Bhopal Gas disaster in 1984, where numerous lives were lost due to the leakage of the toxic gas, methyl isocyanate, from the Union plant. The aim of National Pollution Control Day is to educate people about the importance of control acts, promote awareness about industrial disasters, and encourage measures to prevent air , soil, and noise, pollution. This exposure visits at bhadgoan we arranged a awareness rally to educate people about the different types of pollution- air, water, soil, and noise and their harmful effects on health, ecosystems, and climate. This rally overall participant students is 74.

## **Training Session for Self-Help Groups on Product Branding and Marketing**

Dr. A.D. Shinde College of Engineering, Bhadgaon, organized a special training and motivation session for the Self-Help Groups (SHGs) of Gadhinglaj Taluka. The session aimed to empower members with essential knowledge on product branding, packaging, and modern marketing strategies to enhance the reach and value of their products.

The program was conducted by the Leaders of Gadhinglaj Taluka, who shared valuable insights on how SHG products can build a unique identity in the market through effective branding. The resource person explained the importance of attractive packaging, consistency in product quality, and creating customer trust. Practical examples were given to help participants understand how small improvements in presentation can significantly increase sales.

During the session, the speaker also motivated the members by highlighting successful case studies of various SHGs that transformed their products into recognized brands. Guidance was provided on using social media, local markets, and digital platforms for product promotion. Participants were encouraged to adopt innovative ideas and explore new marketing channels to increase visibility and income.

All participants actively interacted and shared their experiences. The session concluded with a commitment to apply the learned skills in their respective groups. The college expressed gratitude to the resource person and appreciated the enthusiastic participation of all SHG members.

### Brief about the program

Nation Energy Conservation Day is a significant event observed annually to highlight the importance of energy efficiency and conservation in fostering sustainable development. This year, the Electrical Engineering Students' Association (EESA) and the Institution Innovation Council (IIC) have joined forces to organize an inspiring program in association with the Electrical Engineering Department.

The event will be held on 14th December 2024, from 10:00 AM to 12:00 PM at the Dr. Mokshagundam Visvesvaraya Seminar Hall, DADSCOE, Bhadgaon.

This event is an opportunity for students, faculty, and energy enthusiasts to deepen their understanding of energy-saving techniques, policies, and technologies. Participants can engage in thought-provoking discussions and gain actionable knowledge to adopt energy-efficient practices in their personal and professional lives.

## **REPORT ON SWACHHATA ABHIYAN**

A Swachhata Abhiyan was organized at Basarage on the occasion of the 15th Death Anniversary (Smruti Din) of Dr. A. D. Shinde. The activity was conducted under the initiative of Dr. A. D. Shinde College of Engineering, Bhadgaon, with the objective of encouraging cleanliness, environmental awareness, and social responsibility among students and staff. All students and faculty members participated enthusiastically and worked with dedication throughout the drive. The program began with a brief address on the significance of cleanliness and the role of the youth in maintaining hygiene within the community.

During the activity, participants cleaned the mandir premises, the graveyard (smashanbhumi) area, and various public spaces across the village. They also undertook cleaning of roads, pathways, and surrounding areas to ensure proper waste collection and disposal. The team collectively worked across the entire village of Basarage, removing garbage, plastic waste, and debris to create a cleaner and healthier environment for the residents. The efforts of the students and staff brought visible improvement to the village surroundings and inspired local villagers to support and continue maintaining cleanliness in their community.

Overall, the Swachhata Abhiyan proved to be a meaningful and impactful initiative. The college appreciated the sincere involvement of all participants whose teamwork and commitment contributed greatly to the success of the activity. The event highlighted the importance of cleanliness and reinforced the values of community service, environmental care, and civic responsibility.

## **REPORT ON BLOOD DONATION CAMP**

A Blood Donation Camp was organized at Basarage on the occasion of the 15th Death Anniversary of Dr. A. D. Shinde sir. The event was conducted under the initiative of Dr. A. D. Shinde College of Engineering, Bhadgaon, with the aim of promoting voluntary blood donation and encouraging students to contribute towards humanitarian causes.

The programme began with a short introduction highlighting the importance of blood donation in saving lives during emergencies, surgeries, and medical treatments. Medical experts explained how a single unit of blood can support multiple patients through component separation. This session helped create awareness and motivated participants to donate confidently.

A dedicated medical team carried out all the procedures with proper safety measures, including donor screening, haemoglobin check, and post-donation care. Students, faculty members, and volunteers actively participated, showcasing a strong sense of social responsibility. A total of 39 donors successfully donated blood. Donors were provided with refreshments and appreciation certificates for their noble contribution.

The event also emphasized the role of youth in community welfare activities. Faculty coordinators and student volunteers worked collectively to manage registrations, maintain discipline, and assist the medical staff, ensuring the smooth execution of the camp. Their teamwork reflected the college's commitment to social service and public health awareness.

Overall, the Blood Donation Camp was conducted successfully with positive participation. It not only helped in contributing valuable blood units to the blood bank but also spread awareness about the significance of regular blood donation. The college extended its gratitude to all donors, volunteers, and medical professionals for making the event meaningful and impactful.

### **Awareness Programme on Sustainable Farming (Shashvat Sheti)**

A one-day training programme on "Importance of Organic Farming" was organized on 22nd February 2025 at 11:00 a.m. under the Dr. Punjabrao Deshmukh Organic Farming Mission Scheme. The event was conducted at Dr. A. D. Shinde College of Engineering, Bhadgaon, with the objective of creating awareness among students about sustainable agriculture and the growing need for organic farming practices.

The programme began with a formal inauguration, followed by an insightful session delivered by the chief guest and keynote speaker, Shri Tatanaji Patil from the Krishi Vigyan Kendra, Kanjur Math. In his address, he highlighted the importance of organic methods in improving soil fertility, reducing chemical usage, and promoting eco-friendly cultivation techniques. His session helped students understand the long-term benefits of organic farming for both farmers and the environment.

The programme was also graced by Shri Haridas Borge, Taluka Agriculture Officer, Gadhinglaj, and Shri Anil Kamble, Agriculture Assistant, Bhadgaon. They interacted with the participants and encouraged them to adopt innovative and sustainable agricultural practices. Their presence added great value to the event. Students and faculty members actively participated in the session and appreciated the practical knowledge shared by the experts. The training concluded with a vote of thanks expressing gratitude to all the dignitaries, guests, and participants for making the programme successful.

# रसायने टाळा, सेंद्रिय शेतीकडे वळा

**विठ्ठल पाटील : भडगावात 'शाश्वत शेतीची गरज' विषयावर प्रशिक्षण**

**सकाळ वृत्तसेवा**

गडहिंग्लज, ता. २१ : 'अनेक वर्षांपासून शेती व पिकांसाठी भाताक रसायनांचा वेसुमार वापर वाढला आहे. त्यामुळे कर्करोगाचे प्रमाण वाढल्याने माणसाचे जीवन धोक्यात येत आहे. येल्या दहा वर्षांत रासायनिक खते, औषधांमुळे ३० टक्के मुल्य हे कर्करोगाने होतील, असा अहवाल जागतिक आरोग्य संघटनेने दिला आहे. त्यामुळे शेतकऱ्यांनी उष्णटपण्याने सेंद्रिय शेतीकडे वळावे,' असे आवाहन कृषिगत विठ्ठल पाटील यांनी केले. शासनाच्या कृषी विभाग, भडगावच्या श्रीपतराव शिंदे कृषी सहायक केंद्र आणि डॉ. ए. डी. शिंदे कॉलेज ऑफ इंजिनिअरिंगच्या संयुक्त विषयाने आयोजित शेतकरी प्रशिक्षण कार्यक्रमात ते बोलत होते. 'शाश्वत शेती काळाची गरज' या विषयावर त्यांनी मार्गदर्शन केले. कॅम्पस डायरेक्टर डॉ. दिनकर चवळे अध्यक्षस्थानी होते. संस्थेच्या सचिव ख्याती कोरे यांची प्रमुख

भडगाव : श्रीपतराव शिंदे कृषी सहायक केंद्रात झालेल्या प्रशिक्षणात विठ्ठल पाटील यांनी मार्गदर्शन केले. यावेळी स्वाती कोरी, डॉ. दिनकर चवळे, अरुण खोत आदी उपस्थित होते.

उपस्थिती होती.

पाटील म्हणाले, 'दशतेचा उपाय म्हणून प्रत्येक शेतकऱ्याने रसायनांचा कमीत कमी वापर करावा. किमान आपल्या कुटुंबाला आवश्यक इतके सेंद्रिय घान्य व भाजीपाल्याचे उत्पादन घ्यावे. शेतीतील नवीन उद्योजक, तरुणांना किमान आयुष्याची पंधरा वर्षे अनुभवासाठी काढावी लागतात. बदलते हवामान, अनियमित निर्यात आणि पीक पडती या गोष्टींचा सातत्याने व चिंताटीने अभ्यास करून निर्णय घेतल्यास शेती करणे सुलभ होईल.'

यावेळी प्रभारी मंडळ कृषी अधिकारी अरुण खोत यांनी किडरोग व्यवस्थापन, शेतावरील अपघात किंवा व टिक्का सिंचन यांविषयी माहिती दिली. पीक विन्यास व नवन गवस यांनी मार्गदर्शन केले. पोपट हजारें यांनी 'शाश्वत शेती मिशन योजना', तर प्राम महामूल अधिकारी रूपाळी कांबळे यांनी पीक पाहणीची माहिती दिली. सहायक कृषी अधिकारी प्रियांका चुले यांनी स्वागत केले. प्रशिक्षणाचे समन्वयक तथा सहायक कृषी अधिकारी अनिल कांबळे यांनी सूत्रसंचालन केले. चंद्रकांत कोडेली,

विद्याधर गुरव, पल्लवी कोकितकर, युवराज नाईक, स्वप्नील चरापले, सुरेखा शिंदे, प्रियांका शेळके यांनी सहकार्य केले. उपसरपंच दीपक कोरी, चंद्रशेखर मोळडी, बाळगोंडा पाटील, अनिकेत कोरकिरी, सचिन जाधव, सुभाष एंडरीजे, कुमार चौगुले, गृहदेवी शेती मंडालचे सदस्य, शेतकरी उपस्थित होते.

...तसेच विषमुक्त शेती होईल पाटील म्हणाले, 'जमिनीला विषांशी देण्यासह पिकांचा फेरपलटही महत्त्वाचा आहे. जमिनीत शिखरीच्या खतांचा वापर बराचसा, जेणेकरून जमिनीतील सेंद्रिय कवच किमान दीड ते दोन टक्क्यांपर्यंत होऊन राहील. तसेच शाश्वत व विषमुक्त शेती होऊ शकते. उदा. ८० ते १०० मेट्रिक टन उत्पादन घेऊ इच्छिणाऱ्यांनी तज्ज्ञांच्या सल्ल्याने वॉटर सोल्युबलची घडणूक घेऊन घेतला शिबकरी उसाच्या तळाची सुमारे ११ मॉनि इतक्या काळावधीपर्यंत खतांची मात्रा विभागून घ्यावी.'

**Report on National Science Day**

**Name of the Program:** National Science Day.

**Program driven by:** First Year Engineering Department

**Start Date:** 28/02/2025

**End Date:** 28/02/2025

**Time:** 10:300AM to 12:30PM

**Venue:** Salim Ali Classroom, DADSCOE, Bhadgaon

**Number of students participants:** 55

**Number of Faculty Participants:** 6

**Mode of Session delivery:** offline

**Overview**

**Objectives of this session:**

1. **Promote Scientific Temper** – Encourage curiosity, critical thinking, and a scientific mindset among students.
2. **Commemorate Dr. C.V. Raman** – Celebrate the discovery of the Raman Effect and recognize India's contributions to global science.
3. **Encourage Innovation & Research** – Motivate students to engage in scientific research and innovation.

**Benefits in terms of Learning/Knowledge obtained:**

1. **Enhancing Scientific Knowledge** – Provides a platform for students to learn about recent scientific advancements.
2. **Boosting Innovation & Technology** – Encourages to students innovative thinking, leading to technological developments beneficial for society.
3. **Encouraging Scientific Careers** – Inspires students to choose careers in science and research.

**Name of the activity:** National Science Day

**Speaker: -** Dr. S. K. Nerle  
Science Center Gadhinglaj

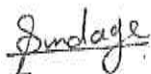

**Platform:** Offline

**Overall report of the activity:**

The National Science Day was celebrated on February 28, 2025, at the Salim Ali Classroom, DADSCOE, Bhadgaon. This event, organized in association with the Institution's Innovation Council (IIC), aimed to encourage curiosity, critical thinking, and a scientific mindset among students. It also fostered innovative thinking, leading to technological developments beneficial to society.

The primary objective of National Science Day is to inspire young minds to pursue careers in science and research. The event raised awareness about the role of science in daily life and motivated students to take an interest in STEM (Science, Technology, Engineering, and Mathematics). In this program we provide Highlights advancements in science, technology, and innovation to the students.

He focused on how science impacts our everyday lives and encouraged students to come up with their own innovative ideas. He mentioned that even in the smallest things, students can research and potentially create something groundbreaking, even earning patents for their discoveries.

# **Teacher Training Programme**

Date:17/03/2025

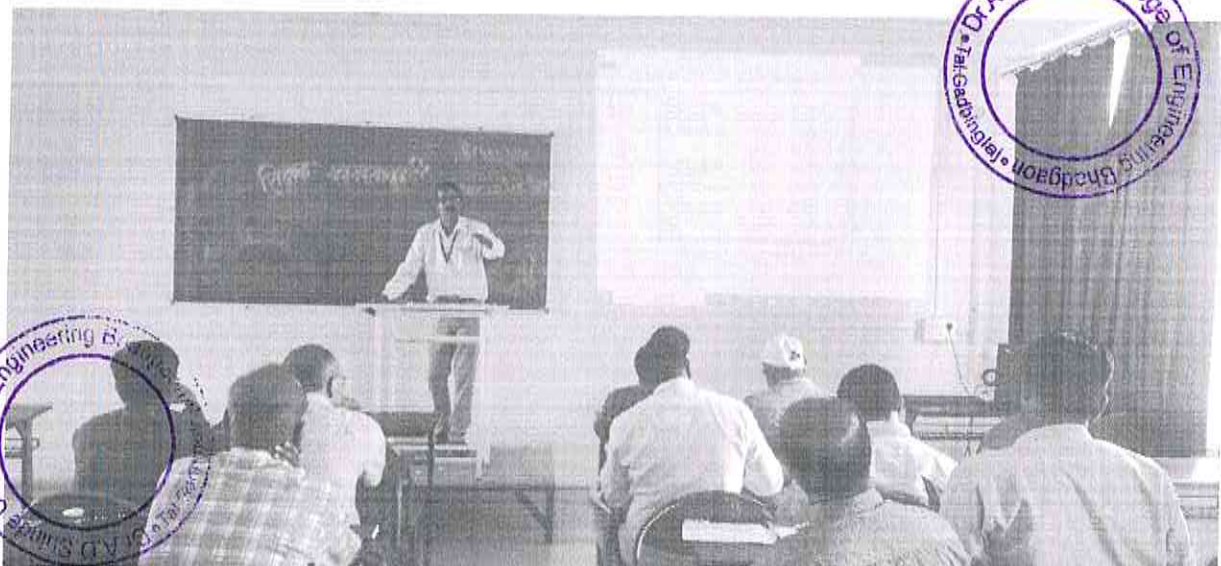

## **Report on Teacher Training Programme on NEP 2.0**

A five-day Teacher Training Programme on the topic National Education Policy (NEP) 2.0 was successfully conducted at Dr. A. D. Shinde College of Engineering, Bhadgaon. The programme was organized by the Education Department, Panchayat Samiti, Gadhinglaj, for teachers from primary schools to junior colleges.

The objective of the training was to create awareness about the vision, reforms, and implementation strategies of NEP 2.0. Resource persons explained key aspects such as holistic and multidisciplinary education, competency-based learning, curriculum flexibility, assessment reforms, and the role of teachers in effective policy implementation.

The programme included interactive sessions, group activities, case studies, and discussions, enabling participants to clarify doubts and share classroom experiences. Practical insights were provided on student-centric pedagogy, inclusive education, use of technology in teaching-learning processes, and continuous assessment methods as recommended by NEP 2.0. The five-day training proved to be informative and beneficial, enhancing teachers' understanding of NEP 2.0 and supporting their professional development.

Overall, the programme contributed significantly to strengthening educational practices in line with the objectives of the National Education Policy 2.0.
