This memorandum of Understanding made at Gadhinglaj, This day 23th of month February and year 2023.

Between

Adishakti Well Homes Pvt.Ltd., B.B.Patil Colony, Gadhinglaj here in after mentioned as "THE PARTY OF FIRST PART" (which expression shall, unless excluded by or repugnant to the context, be mean and include its executors, successors, administrators and permitted assigns) of the one part.

and

The Principal, Dr. A. D. Shinde College of Engineering, Gadhinglaj having its Engineering college at Guddai, Bhadgaon, Gadhinglaj. Kolhapur. Here in after mentioned as "THE PARTY OF SECOND PART" (which expression shall, unless excluded by or repugnant to the context, be mean and include its executors, administrators and permitted assigns) of the other Part.

SCOPE OF THE MOU

This MOU details the modalities and general conditions regarding collaboration between Dr. A. D. Shinde College Of Engineering and Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj for enhancing, within the country, the availability of highly qualified manpower in the areas of **Civil Engineering** without any prejudice to prevailing rules and regulations in Dr. A. D. Shinde College Of Engineering and Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj without any disregard to any mechanism evolved and approved by the competent authorities under Govt. of India in so far as such mechanism applies to Dr. A. D. Shinde College Of Engineering and Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj Services. The areas of cooperation can be extended through mutual consent.

OBJECTIVES OF MOU

- To have hands on experience of the use of advanced instrumentation concepts.
- Delivery of guest lectures by experts
- To provide faculty interactions with the industry practitioner so as to have an understanding of industry expectation from graduates.
- To provide for regular information exchange between faculty and industry experts
- To create an institutionalized training facility for operational and maintenance staff in various industries to obtain course on automation instrumentation and control.

SCOPE AND TERMS OF INTERACTIONS

Both Dr.A.D.Shinde College of Engineering and Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj shall encourage interactions between the Engineers, Scientists, Research fellows, faculty members and students of both the organizations through the following arrangements:

- a) Exchange of personal through deputation as per the rules of the Respective institute, for limited periods as mutually agreed upon
- b) Organization of joint conferences and seminars
- c) Practical training of Dr. A. D. Shinde College of Engineering students at Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj
- d) Joint guidance of student projects/thesis and other areas of national interest at Dr. A. D. Shinde College of Engineering by Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj
- e) Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj would accommodate B.Tech Students who have completed the 6th semester of their programme in such a number that

Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj deems convenient to it for the purpose of imparting industrial training.

f) Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj may depute its personnel as visiting faculty at Dr. A. D. Shinde College of Engineering to teach any of the regular Course or specialized topics.

g) Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj personnel, as well as research scholars, may also be allowed to enroll for their Ph.D./M.Tech. (Research) at Dr. A. D. Shinde College Of Engineering, subject to availability of seats, research facilities and subject to their fulfilling eligibility criteria and all other academic regulations of Dr. A. D. Shinde College Of Engineering. Further, may request to design and teach a Course or Courses which it deems fit Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj enhance quality and performance of its employees. Such Courses maybe run at any mutually convenient premises.

h) Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj seek assistance/guidance of Dr. A. D. Shinde College Of Engineering faculty member/s in product/process modification, modernization, trouble shooting, etc.

i) Would allow the industrial visits of students for half/full day to provide them with an exposure to various equipment, instrument, etc.

j) Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj may showcase its business activities at the seminar/workshop/ conference, etc. at Dr.A.D. Shinde College of Engineering

k) Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj may avail Internet, computational facilities at Dr. A. D. Shinde College Of Engineering.

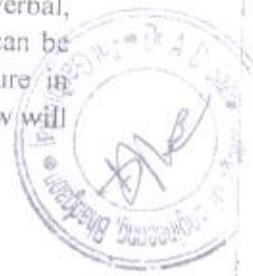

l) The students and Faculty will carry out part of their Ph.D. research work or M.Tech./B.Tech. Project at Dr. A. D. Shinde College Of Engineering and Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj depending on the nature of the work as per rules of the respective institute depending on facilities sand requirements.

m) There will be no restriction on the contents of the thesis and on publication of results of the thesis, subject to the condition that no Intellectual Property Rights can be secured for any part of the work which will be decided with mutual consent.

n) Both Dr. A. D. Shinde College Of Engineering and Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj will be free to independently carry out follow-up research on the thesis work conducted under this scheme.

o) If the outcome of a project related to product development, process technology and design etc. which involves matter of secrecy and concern with security of the State and the Country, the same will not be allowed for publication/printing in any form such Electronically/verbal, etc. If the outcome of a project results into an intellectual property, for which rights can be secured, it will be as decided on case-to-case basis. Similarly, sharing of expenditure in securing such rights and income accrued through royalty etc. by the parties under the law will be decided on case to case basis after mutual consultation.

p) Research supervisors from both the Institutes will be the corresponding authors in any publication resulting from the collaborative work. All the efforts put by the student/s as a part

of this MoU will be accounted for by way of reporting the work in thesis and/or paper publication except the part for which IPR needs be claimed.

q) In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.

EFFECTIVE DATE AND DURATION OF MOU

a) This MOU shall be effective from the date 24th Feb 2023

b) The duration of the MOU shall be for a period of 5 years from the effective date.

c) During its tenancy, the MOU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MOU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under the MOU.

d) Any clause or article of the MOU may be modified or amended by mutual agreement of Adishakti Well Home Pvt.Ltd, B.B.Patil Colony, Gadhinglaj Dr. A. D. Shinde College of Engineering.

After this Agreement has been signed, all preceding understandings / negotiations and correspondence pertaining to it shall become null and void

- g) Nirmiti Constructions personnel, as well as research scholars, may also be allowed to enroll for their Ph.D./M.Tech. (Research) at Dr.A.D.Shinde College Of Engineering, subject to availability of seats, research facilities and subject to their fulfilling eligibility criteria and all other academic regulations of Dr.A.D.Shinde College Of Engineering. Further, Nirmiti Constructions may request to design and teach a Course or Courses which it deems fit to enhance quality and performance of its employees. Such Courses maybe run at any mutually convenient premises.
- h) Nirmiti Constructions may seek assistance/guidance of Dr.A.D.Shinde College Of Engineering faculty member/s in product/process modification, modernization, trouble shooting, etc.
- i) Would allow the industrial visits of students for half/full day to provide them with an exposure to various equipment, instrument, etc.
- j) Nirmiti Constructions may showcase its business activities at the seminar/workshop/conference, etc. at Dr.A.D.Shinde College of Engineering.
- k) Nirmiti Constructions may avail library, Internet, computational facilities at Dr.A.D.Shinde College Of Engineering.
- l) The students and Faculty will carry out part of their Ph.D. research work or M.Tech./B.Tech. Project at Dr.A.D.Shinde College Of Engineering and Nirmiti Constructions depending on the nature of the work as per rules of the respective institute depending on facilities and requirements.
- m) There will be no restriction on the contents of the thesis and on publication of results of the thesis, subject to the condition that no Intellectual Property Rights can be secured for any part of the work which will be decided with mutual consent.

- n) Both Dr.A.D.Shinde College Of Engineering and Nirmiti Constructions will be free to independently carry out follow-up research on the thesis work conducted under this scheme.
- o) If the outcome of a project related to product development, process technology and design etc. which involves matter of secrecy and concern with security of the State and the Country, the same will not be allowed for publication/printing in any form such as Electronically/verbal, etc. If the outcome of a project results into an intellectual property, for which rights can be secured, it will be decided on case to case basis. Similarly, sharing of expenditure in securing such rights and income accrued through royalty etc by the parties under the law will be decided on case to case basis after mutual consultation.
- p) Research supervisors from both the Institutes will be the corresponding authors in any publication resulting from the collaborative work. All the efforts put by the student/s as a part of this MoU will be accounted for by way of reporting the work in thesis and/or paper publication except the part for which IPR needs be claimed.
- q) In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.

EFFECTIVE DATE AND DURATION OF MOU

- a) This MOU shall be effective from the date 18th FEB 2019
- b) The duration of the MOU shall be for a period of 5 years from the effective date.
- c) During its tenancy, the MOU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MOU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under the MOU.
- d) Any clause or article of the MOU may be modified or amended by mutual agreement of Nirmiti Constructions and Dr.A.D.Shinde College Of Engineering.

After this Agreement has been signed, , all preceding understandings/negotiations and correspondence pertaining to it shall become null and void.

Subject : Regarding permission for arranging industrial visit for Final year students.

Respected sir,

I Mr. S.R. Wadagule working as H.O.D of civil engg. dept in our institute. Our department wants to arrange industrial visit for Structural Design and Drawing-II of Final year engineering students on 'Nirmiti Construction', Gadhinglaj.

This site visit helps to improve students knowledge. So I request you to give the permission for organizing such beneficial site visit.

So kindly consider the same and permit us.

Sub : Permission letter for Industrial visit

On Behalf our college management, we are writing this letter for getting your permission to conduct an site visit in your site.

We, the management team & department of civil Engineering, decided to give some practical education to student of site detailing of commercial building, for this purpose your industry is the best option, we need your support. Hence for this 50 students will be the part of the visit & arranged by two Faculty.

Hope your help & guidance will improve our students knowledge.

Thanking you,

Your faithfully,

SCOPE OF THE MOU

This MOU details the modalities and general conditions regarding collaboration between Dr. A. D. Shinde College Of Engineering and Shivam Electrical for enhancing, within the country, the availability of highly qualified manpower in the areas of Electrical Engineering without any prejudice to prevailing rules and regulations in Dr. A. D. Shinde College Of Engineering and Shivam Electrical without any disregard to any mechanism evolved and approved by the competent authorities under Govt. of India in so far as such mechanism applies to Dr. A. D. Shinde College Of Engineering and Shivam Electrical Services. The areas of cooperation can be extended through mutual consent.

OBJECTIVES OF MOU

- To have hands on experience of the use of advanced instrumentation concepts.
- Delivery of guest lectures by experts
- To provide faculty interactions with the industry practitioner so as to have an understanding of industry expectation from graduates.
- To provide for regular information exchange between faculty and industry experts
- To create an institutionalized training facility for operational and maintenance staff in various industries to obtain course on automation instrumentation and control.

SCOPE AND TERMS OF INTERACTIONS

Both Dr. A. D. Shinde College of Engineering and Shivam Electrical shall encourage interactions between the Engineers, Scientists, Research fellows, faculty members and students of both the organizations through the following arrangements:

- a) Exchange of personnel through deputation as per the rules of the Respective institute, for limited periods as mutually agreed upon
- b) Organization of joint conferences and seminars
- c) Practical training of Dr. A. D. Shinde College of Engineering students at Shivam Electrical Services
- d) Joint guidance of student projects/thesis and other areas of national interest at Dr. A. D. Shinde College of Engineering by Shivam Electrical on mutually agreeable terms

Vices Kop. License

Subject:-Regarding Industrial visit to your esteem organization.

Respected Sir,

We are at Dr. A. D. Shinde College of Engineering

Gadhinglaj, Affiliated to Shivaji University Kolhapur.

As a part of curriculum, the students are required to undertake industrial visits to a few industries of repute. We feel it will be fruitful that the students with academic background have a glimpse of industry in order to have a better appreciation of practical applications of theory. In the above background we would like to visit a batch of about 63 students of Electrical Engineering accompanied by 03 staff members to visit your esteemed organization.

I request you to kindly accord necessary person for above visit for ONE day between 19 Nov 2023 to 26 Nov 2024. We assure you that our students will observe and follow the rules and regulations that are prescribed by your organization and will in no way disturb the functioning of the organization during their visit.

We shall be grateful for the favorable response

Yours faithfully

MEMORANDUM OF UNDERSTANDING

BETWEEN

Dr.A.D. Shinde College of Institute of Technology

AND

**MYCRAVE CONSULTANCY &
SERVICES**

This Memorandum of Understanding (MOU) is made and entered into on this 26 MAR 2024 between **Dr.A.D. Shinde College of Institute of Technology** (hereinafter called **INSTITUTE**) situated at *Guddai, A, Bhadgaon - Shindewadi Rd, Gadhinglaj, Maharashtra 416502* and **MYCRAVE CONSULTANCY & SERVICES** (hereinafter called "COMPANY" which expression shall include its successors and permitted assignees) with its registered office at *FF -120, Atmiva Complex, Maneja Crossing, Nr. Makarpura GIDC, Vadodara Gujarat - 390013.*

1. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- a. To promote interaction between **INSTITUTE** and COMPANY in mutually beneficial areas.
- b. To provide **INTELLECTUAL PROPERTY RIGHTS** Services along with help in the filed or **RESEARCH** to the **INSTITUTE**

2. PROPOSED MODES OF COLLABORATION

INSTITUTE and COMPANY propose to collaborate through

- a. Providing Intellectual Property Rights Services to **INSTITUTE**.
- b. Guidance in the research sector with Novel Ideas.
- c. Establishment of IPCell.

level of proficiency to be expected of a COMPANY with the background and experience that COMPANY has represented it has. *INSTITUTE* shall provide such access to its information, Intellectual property or ideas and IP Cell personnel as may be reasonably required in order to permit the COMPANY to perform the Services.

- d) Tools, Instruments and Equipment. COMPANY shall use COMPANY's own tools, instruments and equipment and place of performing the Services, unless otherwise agreed between the Parties.

5. CONFIDENTIALITY

- a) During and for a period of **one year** from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed, confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b) In this MOU the term "Confidential Information" shall mean the Work and any information relating to *INSTITUTE*'s business, including, but not limited to, NDA's, Legal documents, research, developments, product plans, products, services, diagrams, formulae, processes, techniques, technology, firmware, software, know-how, designs, ideas, discoveries, inventions, improvements, copyrights, trademarks, trade secrets, customers, suppliers, markets, marketing, finances disclosed by *INSTITUTE* either directly or indirectly in writing, orally or visually, to COMPANY. Confidential Information does not include information which:
- is in or comes into the public domain without breach of this MOU by the COMPANY,
 - was in possession of the COMPANY prior to receipt from *INSTITUTE* and was not acquired by the COMPANY from *INSTITUTE* under an obligation of confidentiality or non-use,
 - is acquired by the COMPANY from a third party not under an obligation of confidentiality or non-use to *INSTITUTE*, or

agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

7. TERMS AND TERMINATION

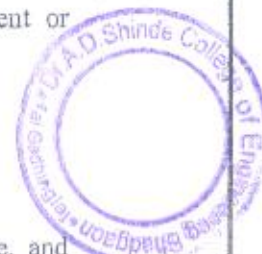

- a) Commencement. This MOU shall commence on the Effective Date and shall remain in effect until the completion of the tenure of 12 months or the earlier termination of this MOU as provided in Article 7 (c).
- b) Time Duration. For all the work allotted under this contract, every task will be allotted pre – defined time which will be decided under the consent of both the parties or when the contract is being signed.
- c) Termination. This MOU may be terminated by either Party by giving 30 calendar days written notice of such termination to the other Party in the event of a material breach by the other Party. "Material breach" shall include: (i) any violation of the terms of the below mentioned Articles (ii) the death or physical or mental incapacity of COMPANY or any key person performing the Services on its behalf as a result of which the COMPANY or such key person becomes unable to continue the proper performance of the Services, (iii) an act of gross negligence or wilful misconduct of a Party, and (iv) the insolvency, liquidation or bankruptcy of a Party.

8. RELATIONSHIP

Nothing in this MOU shall be construed to make either party a partner, an agent or legal representative of the other for any purpose.

9. ASSIGNMENT

The Services to be performed by COMPANY hereunder are personal in nature, and INSTITUTE has engaged COMPANY as a result of COMPANY's expertise relating to such Services. COMPANY, therefore, agrees that it will not assign, sell, transfer,

TERMS & CONDITIONS:

- a. The Government Fees need to be released at the time of filing for each application directly from the end of the institution to avoid dual transactions. The receipt generated can be used as proof.
- b. Under the KAPILA Scheme of the government, 50% of the Utility fees is reimbursed by the Government.
- c. 50% of the Utility Government Fees is reimbursed under the KAPILA SCHEME.

The workshop on intellectual property rights aims to educate participants about the significance and intricacies of intellectual property protection. It seeks to foster an understanding of the various forms of intellectual property, including patents, trademarks, copyrights, and trade secrets, and their roles in fostering innovation, creativity, and economic development. Through interactive sessions and case studies, the workshop aims to equip attendees with practical knowledge on how to identify, protect, and manage intellectual property assets effectively, while also highlighting the importance of ethical considerations and the global landscape of intellectual property rights. Ultimately, the workshop endeavors to empower participants to navigate the complexities of intellectual property law and strategically leverage their intellectual assets for competitive advantage and societal benefit.
