Subject: Invitation as resource person.

Respected Sir,

Dr. A. D. Shinde college of engineering is one of the renowned institute in the western Maharashtra established in 2014. Our institute is approved by AICTE New Delhi, recognized by DTE Mumbai and affiliated to Shivaji University Kolhapur. We are offering 6 UG courses in Civil, Mechanical and Mechatronics, Electrical and Computer Engineering, Computer Science and Engineering, Electronics & Computer Science and CSE (Artificial Intelligence and Machine Learning) with an intake of 390. Our institute has played a very important role in providing quality technical education to rural youth and contributed to national growth. Our distinguished alumni are working at top posts in various companies all across the world.

During this academic year we have organized a 'Student Induction Program'(SIP) for newly admitted first year students. Student induction program mainly focuses on imbibing universal human values and development of social attitude amongst students and orientating to study engineering.

We take this opportunity to cordially invite you as a Resource Person to deliver a talk on '**Soft Skills**' to first year students. The program is scheduled on Wednesday 11th September 2024 in the seminar hall of our institute at 11 am.

I request you to kindly accept our invitation and grace the occasion by your presence.

Thanking you

Dr. D. V. Ghewade

Report on Guest Lecture on Soft Skills

Speaker Details

- **Name:** Mr. Mohan Shinde
- **Expertise:** Soft Skills and Professional Development

Date, Time and Venue

- **Date:** 11 September 2024
- **Time:** 11:00 AM
- **Venue:** College Campus (Lecture Hall)

Objective of the Guest Lecture

The objective of the guest lecture was to enhance students' understanding of soft skills required for academic excellence, professional growth, and employability. The session aimed to develop effective communication, teamwork, leadership qualities, and a positive attitude among students.

Details of the Session

The guest lecture was delivered by **Mr. Mohan Shinde**, who addressed the importance of soft skills in today's competitive professional environment. He explained how technical knowledge alone is not sufficient and how soft skills play a crucial role in career success.

Mr. Shinde covered key topics such as:

- Communication skills and body language
- Teamwork and interpersonal skills
- Time management and self-discipline
- Leadership qualities and positive attitude
- Interview skills and workplace ethics

The session was interactive, with real-life examples, practical tips, and student participation. Students actively engaged in discussions and gained clarity on how to improve their personality and professional behavior.

Outcome of the Lecture

- Students understood the importance of soft skills in personal and professional life.
- Improved awareness about communication and interpersonal skills.
- Motivation among students to develop confidence, leadership, and teamwork abilities.
- The lecture contributed to overall personality development and career readiness.

Report on Matrubhasha Din Celebration

Introduction

Matrubhasha Din, also known as Global Mother Language Day, is celebrated every year on **21st February** to promote linguistic and cultural diversity. The day holds special significance as it commemorates the sacrifices made during the Bengali Language Movement in 1952. Our institution observed this day with enthusiasm to emphasize the importance of mother languages in preserving cultural heritage and fostering communication.

Event Details

- **Date:** 21st February 2025
- **Venue:** [Salim Ali Classroom Dr. A. D. Shinde College of Engineering]
- **Participants:** Students, faculty members, and staff

Program Highlights

The event commenced with a brief introduction to the significance of Global Mother Language Day. The principal Dr. D. V. Ghewade delivered an inspiring speech, highlighting the importance of preserving native languages in the era of globalization and guest Mr. D. S. Gurav shared his valuable knowledge with students with marathi poems.

Conclusion

The celebration of Global Mother Language Day was a great success. The event reinforced the need to preserve and promote mother tongues, ensuring their survival for future generations. The program concluded with a vote of thanks by Prof. H. R. Patil, appreciating the efforts of students and faculty members in making the event memorable.

Report on International Yoga Day

Day	Monday
Date	21/06/2024
Time	11:30Am
Venue	at Dr. A. D. Shinde College of Engineering, terrace
Faculty	All Teaching and Non-Teaching staff and Students

On June 21, 2024, Dr. A. D. Shinde College of Engineering celebrated "**International Yoga Day**" with great enthusiasm and participation. The event, held on campus, aimed to promote the numerous benefits of yoga, enhance the physical and mental well-being of students and faculty, and foster a sense of unity and mindfulness. The theme of the celebration was "*Yoga for Unity and Wellness*," which aligns with the global goal of integrating yoga into daily life for better health, stress relief, and spiritual well-being.

The celebration began at 11:30Am with an opening ceremony held in the college auditorium. The Principal, Dr. D. V. Ghewade welcomed the students and staff and spoke about the importance of adopting yoga for physical and mental health. In his address, he highlighted the growing significance of Yoga Day globally and emphasized the importance of making yoga a part of our everyday lives to foster peace and harmony. A group yoga session followed in the college terrace, which was attended by over 70 students, faculty members, and staff. The session also included breathing exercises (pranayama), to calm the mind and improve concentration.

Subject: Invitation as a Guest Lecturer.

Dear Sir,

Dr. A. D. Shinde college of engineering is one of the renowned institute in western Maharashtra established in 2014. Our institute is approved by AICTE New Delhi, recognized by DTE Mumbai and affiliated to Shivaji University Kolhapur. We are offering 6 UG course in Civil, Mechanical and Mechatronics, Electrical and Computer Engineering, Computer Science and Electronics & Computer Science Artificial Intelligence and Machine Learning with intake of 360. Our institute has played very important role in providing quality technical education to rural youth and contributed to national growth. Our distinguished alumni are working at top posts in various companies all across the world.

During this academic year we have organized a 'Student Induction Program'(SIP) for newly admitted first year students. Student induction program mainly focuses on teaching 'universal human values to students and their orientation to study engineering.

We take this opportunity to cordially invite you as a Resource Person to deliver a guest lecture on 'The Essence of Humanity: Core Values for a Fulfilling Life' to first year students. The program is scheduled on Friday 5th September 2024 in auditorium of our institute of 11am.

I request you to kindly accept our invitation and grace the occasion by your presence.

Thanking you

Dr. D. V. Ghewade

Academic Year 2024-25

Introduction

A guest lecture on "The Essence of Humanity: Core Values for a Fulfilling Life" was organized on 05 September 2024 for engineering students. The session aimed to sensitize students to the importance of human values, ethics, and moral responsibility alongside technical education. The lecture emphasized the role of values in shaping a balanced professional and personal life.

Profile of the Resource Person

Mr. Sattappa Kamble is a respected speaker known for his insightful talks on human values, ethics, and social responsibility. With rich experience in guiding youth, he has consistently inspired students to cultivate integrity, empathy, and discipline in their lives.

Objectives of the Guest Lecture

- To create awareness about core human values and ethics.
- To help students understand the importance of humanity in professional life.
- To motivate students towards self-reflection and character building.
- To encourage a balanced approach between technical skills and moral values.

Highlights of the Lecture

Mr. Kamble elaborated on key human values such as honesty, compassion, respect, responsibility, humility, and empathy. He explained how these values contribute to inner peace and long-term success. Real-life examples and simple anecdotes were shared to make the concepts relatable for engineering students. The speaker also stressed that true fulfillment comes not only from professional achievements but from ethical conduct and positive human relationships.

Interaction and Student Participation

The session was interactive, with students actively participating in discussions and sharing their viewpoints. A question-and-answer segment allowed students to clarify doubts and reflect on practical ways to apply human values in daily life, academics, and future careers.

Outcomes of the Program

- Students gained clarity on the importance of human values in engineering practice.
- The lecture encouraged self-awareness and ethical thinking.

Dinkarrao K. Shinde Smarak Trusts
DR. A. D. SHINDE COLLEGE OF ENGINEERING
Bhadgaon, Gadhinglaj. Dist: Kolhapur Pin: 416502
Academic Year 2024-25

- It motivated students to become socially responsible engineers.
- The program contributed to the overall personality development of students.

Conclusion

The guest lecture was highly informative and inspiring. It successfully conveyed the message that humanity and core values are essential for a fulfilling and meaningful life, especially for future engineers who will shape society through their work. The program concluded with a vote of thanks to the resource person for his valuable guidance.

Guest Lecture by Mr. Balasheb Mulla on "Human Values".

SIP 13th September, In the morning session a guest lecture was arranged by Mr. Balasaheb Mulla on "Human Values". He said that Human values are essential for all as they play a crucial role in personal development and social interaction. He explained why human values are important for students:

1. **Character Development:** Human values like honesty, integrity, and respect help students build strong character, guiding their decisions and actions throughout life.
2. **Social Harmony:** Understanding values such as empathy, tolerance, and compassion fosters a sense of community and helps students interact positively with peers from diverse backgrounds.
3. **Emotional Intelligence:** Values encourage self-awareness and emotional regulation, enabling students to understand their own emotions and those of others, which is crucial for effective communication and relationships.
4. **Decision-Making:** Strong values provide a moral framework that aids students in making ethical decisions, helping them navigate challenges and dilemmas with confidence.
5. **Resilience:** Students grounded in values like perseverance and responsibility are better equipped to face setbacks and maintain a positive outlook, which is vital for academic and personal success.
6. **Civic Responsibility:** Instilling values such as justice and fairness encourages students to become active, responsible citizens who contribute positively to society.
7. **Cultural Awareness:** Exposure to different human values fosters appreciation for diverse cultures and perspectives, promoting inclusivity and understanding in an increasingly globalized world.
8. **Lifelong Learning:** Values like curiosity and humility inspire students to embrace learning as a lifelong journey, fostering a growth mindset that is essential in a rapidly changing world.

9. **Personal Fulfillment:** Students who align their actions with their values often experience greater satisfaction and fulfillment in life, leading to improved mental well-being.
10. **Collaboration and Teamwork:** Understanding values such as cooperation and mutual respect enhances teamwork skills, which are essential in both academic settings and future workplaces.

Subject: Invitation as resource person in Student Induction Program.

Respected Madam,

Dr. A. D. Shinde college of engineering is one of the renowned institute in the western Maharashtra established in 2014. Our institute is approved by AICTE New Delhi, recognized by DTE Mumbai and affiliated to Shivaji University Kolhapur. We are offering 6 UG courses in Civil, Mechanical and Mechatronics, Electrical and Computer Engineering, Computer Science and Engineering, Electronics & Computer Science and CSE (Artificial Intelligence and Machine Learning) with an intake of 390. Our institute has played a very important role in providing quality technical education to rural youth and contributed to national growth. Our distinguished alumni are working at top posts in various companies all across the world.

During this academic year we have organized a 'Student Induction Program'(SIP) for newly admitted first year students. Student induction program mainly focuses on imbibing universal human values and development of social attitude amongst students and orientating to study engineering.

We take this opportunity to cordially invite you as a Resource Person to deliver a talk on "**Engineer and Society**" to first year students. The program is scheduled on Thursday 19th September 2024 in the seminar hall of our institute at 11am.

I request you to kindly accept our invitation and grace the occasion by your presence.

Thanking you

19th September 2024, a Guest lecture by Srimati Deepa Shippurkar on the topic 'Engineer and Society' was arranged in the morning session. The session was marked with the presence of the Secretary of DKSST Hon.Mrs. Swati Kori madam and the Principal of DADSCOE Dr. D.V.Ghewade sir. Guest Srimati Deepa Shippurkar.

The session started with the welcome speech by Dr. D.V. Ghewade sir. Prof. R. V. Sayannavar introduced the guest Srimati Deepa Shippurkar has given a prodigious speech on the topic 'Engineers and Society'.

Srimati Deepa Shippurkar emphasized in her lectures that today's engineers should be socially conscious. She expressed the importance of meeting our needs using basic resources from nature, making it clear that engineers must ensure that our progress does not harm biodiversity. She pointed out that excessive reliance on artificial devices has negative side effects on the current generation. Additionally, she noted that the pervasive influence of Google has led children to stop reading books, which hampers their ability to gain deep knowledge. Finally, she advocated for schools to organize trips to study natural environments, emphasizing the responsibility to educate children about nature. The session concluded with a vote of thanks from Prof. K.S. Joshi.

समाजभान असलेले इंजिनियर व्हा

दीपा शिप्पूरकर : डॉ. ए. डी. शिंदे इंजिनियरिंगमध्ये व्याख्यान

सकाळ नृतसेवा

गडहिल्लज, ता. १९ : आपण समाजाचे देणू लक्षात या भावनेतून समाजभान असलेले इंजिनियर म्हणून लौकिक मिळव्यावा. तसेच निरगांवन निवृत्तलेल्या मूलभूत संसाधनांचे जतन करून आपल्या गरजा भागविल्या पाहिजेत. असे मत दीपा शिप्पूरकर यांनी व्यक्त केले.

भडगाव (ता. गडहिल्लज)
येथील डॉ. ए. डी. शिंदे कॉलेज

भडगाव : येथे व्याख्यानात दीपा शिप्पूरकर यांचा सत्कार स्वामी कोरी यांच्या हस्ते झाला. यावेळी डॉ. डी. व्ही. घेवडे, किशोर जोशी उपस्थित होते.

ऑफ इंजिनियरिंगमध्ये अभियांत्रिकी आणि सामाजिक यांधिलक्री या विषयांवरील व्याख्यानात त्या बोलत

होत्या. संस्थेच्या सचिव स्वामी कोरी अध्यक्षस्थानी होते. डॉ. डी. व्ही. घेवडे, किशोर जोशी, एस.

जोशी यांची प्रमुख उपस्थिती होती. शिप्पूरकर म्हणाल्या, 'कृत्रिम साधन संक्रामा अतिशयपर होऊ लागल्याने आजच्या पिढीकर ह्यपरिणाम जाणवत आहेत. अगण जो प्रगतीकडे वाटचाल करत आहेत, त्यामुळे जैजविधितेवही परिणाम होऊ नये याचा विचार प्रत्येक इंजिनियरने केला पाहिजे. त्यासमती प्रत्येक शाळांनी विद्याथ्यांच्या सहली परिसर अभ्यासाच्या ठिकाणी भेडन जागला हक्यात.' प्रा. एस. ए. किल्लेदार यांनी सुकसंचालन केले.

Guest Lecture by Dr. Ms. Swati Ingavale on "Cancer Caused By Tobacco"

The 13th day of SIP 20th September, a Guest lecture by Dr. Ms. Swati Ingavale on the topic "CANCER CAUSED BY TOBACCO (तंबाखूमुळे होणारा कर्करोग)" was arranged in the morning session. For this session The Secretary of DKSST Hon.Smt. Swati Kori madam And The Principal of DADSCOE Dr. D.V.Ghewade sir. Guest Dr. Ms. Swati Ingavale were present.

The session started with the welcome speech by Prof S. A. Killedar sir. The Secretary of DKSST Hon.Smt. Swati Kori madam addressed the students with a presidential speech. Dr. Ms. Swati Ingavale has given a impressive speech on the topic 'तंबाखूमुळे होणारा कर्करोग'. Swati Ingavale informed the students about the harmful side effects of tobacco and raised awareness regarding its negative impacts on health. She emphasized that today's generation is jeopardizing the future by consuming tobacco, a substance that even animals avoid, ultimately ruining their lives. Swati also highlighted the link between tobacco use and cancer. The session concluded with a vote of thanks from Prof. R. V. Sayannavar.

Dinkarrao K. Shinde Smarak Trusts
DR. A. D. SHINDE COLLEGE OF ENGINEERING
Bhadgaon, Gadhinglaj. Dist: Kolhapur Pin: 416502
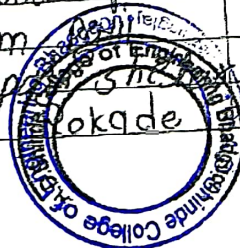

Academic Year 2024-25

Objective of the Guest Lecture

The objective of the guest lecture was to create awareness among students about the importance of yoga in maintaining physical health, mental well-being, and a balanced lifestyle. The session aimed to encourage students to adopt yoga as a daily practice for stress management and overall personality development.

Details of the Session

The guest lecture on the **Importance of Yoga** was conducted on 26 October 2024 at 11:00 AM. The speaker explained the significance of yoga in today's fast-paced and stressful life, especially for students facing academic pressure.

The lecture included an explanation of:

- Meaning and history of yoga
- Importance of yoga for physical fitness and flexibility
- Role of yoga in mental peace, concentration, and stress reduction
- Benefits of regular yoga practice for students
- Yoga as a tool for a healthy and disciplined lifestyle

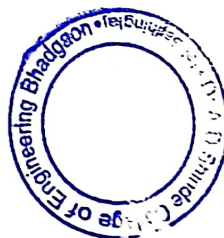

The speaker emphasized the integration of yoga with daily routines and highlighted how regular practice improves focus, energy levels, and emotional stability. Students actively participated and showed keen interest during the session.

Outcome of the Lecture

- Students understood the importance of yoga for physical and mental health.
- Increased awareness about stress management and self-discipline.
- Motivation among students to practice yoga regularly.
- Positive impact on students' awareness towards healthy lifestyle habits.

Conclusion

The guest lecture on the **Importance of Yoga** was informative and beneficial for students. The session successfully highlighted the role of yoga in achieving a healthy body and peaceful mind. Such lectures help in promoting wellness and holistic development among students.

Subject: Invitation as resource person for Guest Lecture.

Dear Sir,

Dr. A. D. Shinde college of engineering is one of the renowned institutes in the western Maharashtra established in 2014. Our institute is approved by AICTE New Delhi, recognized by DTE Mumbai and affiliated to Shivaji University Kolhapur. We are offering 6 UG courses in Civil, Mechanical and Mechatronics, Electrical and Computer Engineering, Computer Science and Engineering, Electronics & Computer Science and CSE (Artificial Intelligence and Machine Learning) with an intake of 390. Our institute has played a very important role in providing quality technical education to rural youth and contributed to national growth. Our distinguished alumni are working at top posts in various companies all across the world.

During this academic year we have organized a 'Student Induction Program'(SIP) for newly admitted first year students. Student induction program mainly focuses on imbibing universal human values and development of social attitude amongst students and their orientating to study engineering.

We take this opportunity to cordially invite you as a Resource Person to deliver a talk on "Artificial Intelligence" to students. The program is scheduled on 08/09/2024 in the seminar hall of our institute at 12pm.

I request you to kindly accept our invitation and grace the occasion by your presence.

Thanking you

Report on Guest Lecture on Artificial Intelligence

Resource Person

Mr. Vinod Shintre

Expert in Artificial Intelligence and Emerging Technologies

Objective of the Program

The objective of the guest lecture was to introduce students to the fundamentals of Artificial Intelligence and to make them aware of its applications in engineering, industry, and future technologies.

Program Details

The Department of Mechanical Engineering organized a guest lecture on *Artificial Intelligence* on 8th September 2024. The session was delivered by Mr. Vinod Shintre, who has extensive knowledge and experience in the field of AI.

During the lecture, the speaker explained the basic concepts of Artificial Intelligence, Machine Learning, and their role in modern engineering applications. He discussed real-world applications of AI in areas such as manufacturing automation, robotics, healthcare, education, and smart systems. The lecture was delivered in a simple and interactive manner, making it easy for students to understand advanced concepts.

Mr. Vinod Shintre also highlighted future career opportunities in Artificial Intelligence and motivated students to develop technical skills relevant to upcoming technologies. Practical examples and case studies were shared to enhance students' understanding.

Outcome of the Program

- Students gained basic knowledge of Artificial Intelligence and its applications.
- Awareness was created about future scope and career opportunities in AI.
- Students were motivated to learn emerging technologies.

Conclusion

The guest lecture was informative and successful. It provided valuable insights into Artificial Intelligence and its importance in the future of engineering. The session ended with a vote of thanks to the resource person for sharing his valuable knowledge.

Report on Guest Lecture on Current Trends in Information Technology

Resource Person

Mr. S. H. More

Industry Expert in Information Technology

Objective of the Program

The objective of the guest lecture was to familiarize students with the latest trends and developments in the field of Information Technology and to create awareness about emerging career opportunities.

Program Details

The Department organized a guest lecture on *Current Trends in Information Technology* for undergraduate students. The session was conducted by Mr. S. H. More, who has rich industry experience in the IT sector.

During the lecture, the resource person explained recent advancements in Information Technology such as Artificial Intelligence, Machine Learning, Cloud Computing, Cyber Security, Data Analytics, Internet of Things (IoT), and Automation. He highlighted how these technologies are transforming industries and creating new job roles.

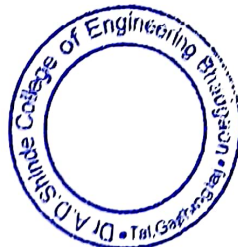

Mr. S. H. More also guided students on the skills required to succeed in the IT industry, including programming knowledge, problem-solving ability, communication skills, and continuous learning. The session was interactive, and students actively participated by asking questions related to career paths and future scope.

Outcome of the Program

- Students gained awareness of current and emerging IT trends.
- Understanding of industry expectations and required skills was improved.
- Students were motivated to upgrade technical skills for better career opportunities.

Conclusion

The guest lecture was informative and beneficial for students. It provided valuable insights into the latest trends in Information Technology and helped students understand the importance of adapting to technological advancements. The program concluded with a vote of thanks to the resource person.
