Subject: Invitation as resource person.

Dear Sir,

Dr. A. D. Shinde college of engineering is one of the renowned institutes in the western Maharashtra established in 2014. Our institute is approved by AICTE New Delhi, recognized by DTE Mumbai and affiliated to Shivaji University Kolhapur. We are offering 6 UG courses in Civil, Mechanical and Mechatronics, Electrical and Computer Engineering, Computer Science and Engineering, Electronics & Computer Science and CSE (Artificial Intelligence and Machine Learning) with an intake of 390. Our institute has played a very important role in providing quality technical education to rural youth and contributed to national growth. Our distinguished alumni are working at top posts in various companies all across the world.

During this academic year we have organized a 'Student Induction Program'(SIP) for newly admitted first year students. Student induction program mainly focuses on imbining universal human values and development of social attitude amongst students and their orientating to study engineering.

We take this opportunity to cordially invite you as a Resource Person to deliver a talk on 'Vedic Maths, Mathematics Skill, Analy' to first year students. The program is scheduled on Monday 12th August 2024 in the seminar hall of our institute at 11am.

I request you to kindly accept our invitation and grace the occasion by your presence.

Thanking you

Dr. D. V. Ghewade

Report on Guest Lecture on Vedic Maths, Mathematical Skills, and Analytical Ability

Resource Person

Mr. Adait Karkare

Expert in Vedic Mathematics and Analytical Skill Development

Objective of the Program

The objective of the guest lecture was to enhance students' mathematical skills, improve analytical thinking, and introduce fast and efficient problem-solving techniques using Vedic Mathematics.

Program Details

The Department organized a guest lecture on *Vedic Maths, Mathematics Skill, and Analytical Ability* for undergraduate students. The session was conducted by Mr. Adait Karkare, who has extensive experience in teaching Vedic Mathematics and logical reasoning techniques.

During the lecture, the resource person explained the fundamentals of Vedic Mathematics and demonstrated various shortcut methods for quick calculations. He emphasized the importance of mental math, accuracy, and speed in solving mathematical problems. The session also covered analytical and logical reasoning techniques useful for competitive examinations, placements, and higher studies.

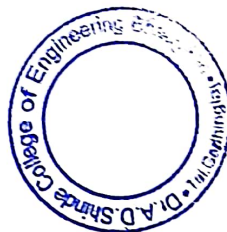

Mr. Adait Karkare engaged students through live problem-solving activities and encouraged them to practice regularly to improve confidence and performance. The lecture was interactive, and students actively participated by solving problems and asking questions.

Outcome of the Program

- Students learned quick calculation techniques using Vedic Maths.
- Improvement in analytical and logical thinking was encouraged.
- Students understood the importance of mathematics skills for competitive exams and career growth.

Conclusion

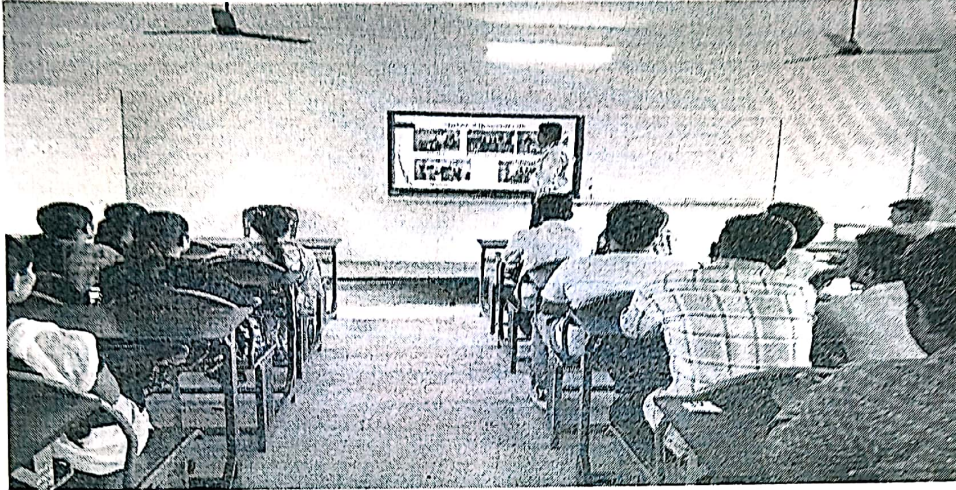

The guest lecture was highly informative and beneficial. It helped students develop interest in mathematics, improve analytical skills, and adopt faster calculation methods. The program concluded with a vote of thanks to the resource person for sharing valuable knowledge.
