Academic Year 2024-25

Date: 16/08/2024

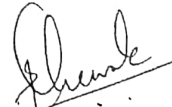

Notice

All the students of DADSCOE are hereby informed that, two days workshop on **"Intellectual Property (IP)"** is arranged on 27/8/2024 to 28/8/2024 in association with IP Cell DADSCOE and Institution's Innovation Council (IIC). The workshop session will be conducted in the seminar hall runs from 10:00 AM to 5:00 PM. All students compulsory to attend the workshop.

This workshop will explore the various types of Intellectual Property (IP) and their crucial role in protecting innovation. Participants will gain an understanding of how IP rights, such as patents, trademarks, copyrights, and trade secrets protection.

Two Day Workshop on Intellectual Property Rights

Name of the Workshop: Two Day Workshop on Intellectual Property Rights in association with IP Cell DADSCOE and IIC

Date: 27/08/2024 to 28/08/2024

Time: 10.00AM to 4.30PM

Venue: Dr. Mokshagundam Visvesvaraya Seminar Hall, DADSCOE, Bhadgaon

Name of the resource persons: 1. Mr. Dhruv Brambhatt, Managing Director, MYCrave Consultancy & Services
2. Miss. Pooja Menon, Chief Operating officer, MYCrave Consultancy & Services.

Dignitaries for the function:

Precedent of the function: Dr. Dinkar V. Ghewade, Principal, DADSCOE, Bhadgaon.

Chief Guests:

Mr. Dhruv Brambhatt, Managing Director, MYCrave Consultancy & Services

Miss. Pooja Menon, Chief Operating officer, MYCrave Consultancy & Services.

Hosted: Prof. Suraj Wadgole, Ast. Prof., CV, DADSCOE

Welcome: Dr. Vireshkumar Mathad, Dean Academics, Coordinator, IP Cell, DADSCOE, Bhadgaon

Vote of Thank: Prof. Amar Bandekar, Convener, IIC, DADSCOE

Number of Participants: Faculties and Nonteaching: = 32 No. Students=86 No.

Brief about the workshop

The "Two Day Workshop on Intellectual Property Rights" was held from 27/8/2024, to 28/8/2024, at the Dr. Mokshagundam Visvesvaraya Seminar Hall, DADSCOE, Bhadgaon. This workshop, organized in association with IP Cell, DADSCOE and the Institution's Innovation Council (IIC), was a significant event aimed at enhancing the understanding of intellectual property rights among participants.

Over the course of the workshop, approximately 15 faculty members and 12 students from various departments presented innovative ideas with the potential for patenting. This enthusiastic participation highlighted the workshop's success in fostering a collaborative environment for sharing and developing new concepts.

Dr. A. D. Shinde College of Engineering,
Bhadgaon.

Subject: Permission for Arranging Faculty Development Programme on 3D Printing.

Respected Sir,

I, **Mr. Kumbhar G. M.** am working as the **Head of the Mechanical Engineering Department** in our institute. Our department proposes to arrange a **Faculty Development Programme (FDP)** on **"3D Printing"** for all faculty members of the Mechanical Engineering Department.

This programme will help enhance the faculty members' knowledge and understanding of advanced manufacturing technologies, which will be beneficial for both teaching and research activities.

Therefore, I kindly request you to grant permission to organize this beneficial FDP.

I request you to please consider the same and permit us to conduct the programme.

Yours faithfully

Mr. Kumbhar G. M.

Subject: Invitation as a resource person for workshop on **"3 D Printing"**

Respected sir,

On the behalf of our institute Dr. A. D. Shinde College of Engineering, Bhadgaon. Mechanical Engineering Department, we are very pleased to inviting you as a resource person to deliver a FDP on **"3 D Printing"** at our college campus. We are planning to arrange the workshop from 18/07/2024 to 20/07/2024 for our department's all faculties' members.

Your expertise and knowledge would definitely help our students. We hope you can make time in your busy schedule and guide our faculties.

Best regards

A FDP Report On 3D Printing

Organized by:
Department of Mechanical Engineering
Dr. A. D. Shinde College of Engineering, Bhadgaon
Date: July 18, 2024 to July 20, 2024.

1. Introduction

A FDP on 3D Printing was successfully organized by the Mechanical Engineering Department during July 18, 2024 to July 20, 2024. The objective of the FDP was to provide hands-on experience and technical knowledge about the 3D Printer.

2. Objectives of the FDP

1. To understand the basic concepts of 3D printing.
2. To learn different 3D printing methods and materials.
3. To gain basic hands-on knowledge of 3D printing machines.
4. To apply 3D printing technology in teaching and academic projects.

3. Event Schedule

Day 1 (18/07/2024)

The programme commenced with the inauguration, followed by a session highlighting the importance and applications of 3D printing in modern engineering. The day concluded with a detailed theory session on 3D printing, covering basic concepts, processes, and technologies.

Day 2 (19/07/2024)

Day 2 focused on hands-on practice with basic 3D printer tools and familiarization with printing materials. Participants gained practical knowledge of machine operation, material handling, and basic printing procedures.

Day 3 (20/07/2024)

Day 3 was dedicated to creating and understanding 3D models for 3D printing. Participants learned basic 3D modeling techniques and prepared models for printing using appropriate software.

3. Outcome of the FDP

Faculty members will gain fundamental knowledge of 3D printing technologies and materials. They will be able to explain basic concepts and applications of 3D printing

4. Conclusion

The Faculty Development Programme on *3D Printing* was successfully conducted and proved to be highly informative and beneficial for the participants. It enhanced the faculty members' understanding of modern manufacturing technologies and provided practical exposure, enabling them to effectively incorporate 3D printing concepts into teaching, laboratory work, and student projects.

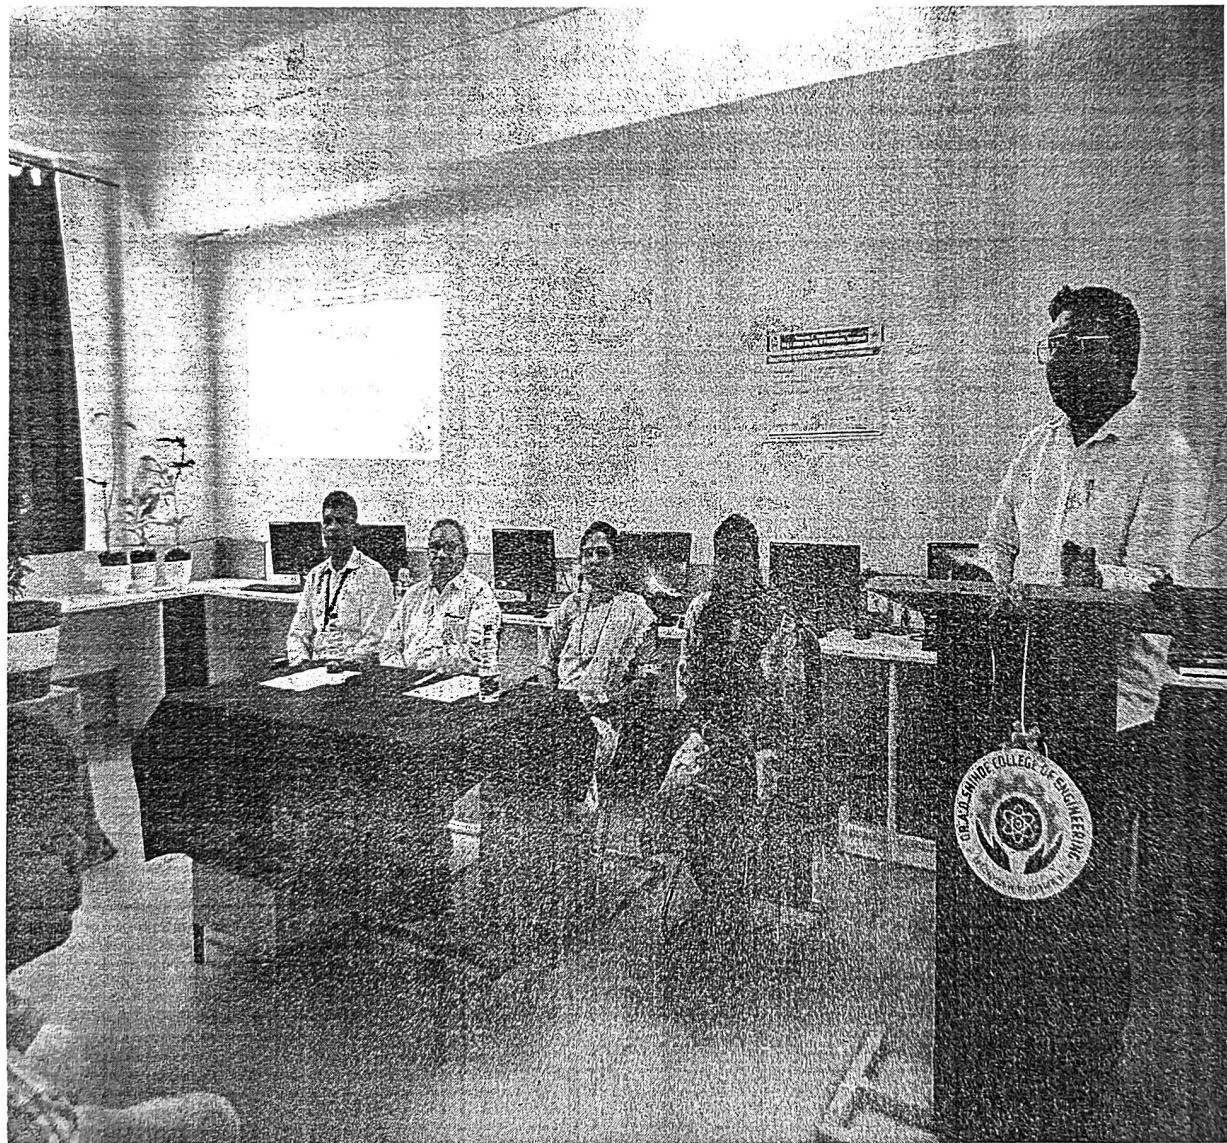

6. Acknowledgment

We sincerely thank our Principal, Dr. D. V. Ghewade, for his continuous support and encouragement. We also thank the Department of Mechanical Engineering and the organizing faculty members for their tireless efforts in making this FDP a grand success.

Subject: Regarding thanking for conducting FDP on "3 D Printing"

Respected sir,

On the behalf of our institute Dr. A. D. Shinde College of Engineering, Bhadgaon, Mechanical Department, we are very thankful to you for conducting such a needful FDP on "3 D Printing" and sharing your knowledge with us.

So, we heartily thank to you and hope you will join with us in future also.

Best regards

**Faculty Development Programme
on
Enhancing Research Capabilities for
Academic Career Progression**

Dates of FDP: 17th – 21st March, 2025

Mode: ICT / Online

GOOGLE MEET LINK: meet.google.com/tvj-yzig-ocd

To Be Organized By

Entrepreneurship Development and Industrial Coordination Department

**National Institute of Technical Teachers Training and Research,
Chandigarh – 160019**

ABOUT NITTTR CHANDIGARH

National Institute of Technical Teachers Training and Research, Chandigarh, formerly known as Technical Teachers Training Institute (TTTI), was established by Ministry of Human Resource Development (MHRD), Government of India in 1967 to meet the requirements of training Polytechnic teachers for the growth and development of polytechnic education in the northern region of the country. It had the collaboration of Royal Netherlands Government up to 1974. The institute ushered into a new era in November 2003, with its changed name and enhanced status as National Institute of Technical Teachers Training and Research (NITTTR). It is one of the four such National Institutes in the Country with a focus on the Northern Region comprising the states of Haryana, Himachal Pradesh, Punjab, Rajasthan, Uttar Pradesh, Uttarakhand, National Capital Territory of Delhi, and Union Territory of Chandigarh, Jammu & Kashmir, and Ladakh. Presently, the outreach of the programmes and activities of the institute covers the entire gamut of technical education. Ministry of Education, Government of India has recently accorded the '*Deemed to be University*' status to NITTTR Chandigarh under distinct category.

ABOUT ENTREPRENEURSHIP DEVELOPMENT AND INDUSTRIAL COORDINATION DEPARTMENT

Entrepreneurship Development and Industrial Coordination (EDIC) department was established at NITTTR, Chandigarh in the year 1983 with a view to introduce and promote entrepreneurship development and improve Industry-Institute Interaction (III) in the technical education system. Presently, the department provides services to the Engineering Colleges, Polytechnics and Management Institutes of the Country. The department is engaged in training of entrepreneurs, potential entrepreneurs, entrepreneur-trainer-motivators (ETMs), technical teachers, managers, administrators & professionals from industries. With a holistic approach to the promotion of entrepreneurship and industry-institute interaction, the department is also conducting research & development studies; preparing instructional material (both print and non-print); offering assistance in curriculum design and review; providing extension services to client institutes and undertaking consultancy work in the broad areas of Entrepreneurship and allied aspects.

RATIONALE FOR THE PROGRAMME

Global economic progress brings higher educational institutions (HEI) to be more competitive in producing research results. These results may become new knowledge in the knowledge of economy. Faculty members being the cornerstone of any higher educational institutions have to step up for the challenges being presented by this new and changing paradigm in the academia by enhancing their research capabilities. This calls for faculty members to undergo training programmes which will be able to bring enhancement in their respective research domain alongside with the impact on the associated aspects like teaching and administration. The main objective of this programme is to expose participants to the nuances of academic research by introducing them to the core concepts of the domain along with the ways corporates take into the cognizance of the research outputs for the practical purposes. Further, this programme will bring forth in front of participants the way of writing and submitting a research project along with the number of statistical data analysis techniques. This programme will also show the participants the process of conducting a systematic literature review and bibliographic analysis for their respective research areas as well.

Indicative topics to be covered during FDP: Defining Academic Research and Research Process, Research Instrument's Validity and Data Analysis, Bibliographic Analysis, Multivariate Data Analysis and Selecting Appropriate Data Analysis Method, Multiple Regression Using Excel, Research Avenues for Career Progression in-line with New Education Policy, Research Project Submission: Intricacies and Pathway, Research for Market Opportunities

Indicative Time Schedule for One Week Programme on
 'Enhancing Research Capabilities for Academic Career Progression' (17 – 21 March, 2025)

O. Plan No.: ICT – 117 Mode: Online

Day & Date	Morning Session		L U N C H B R E A K	Afternoon Session	
	Session I (10:00 AM – 11:30 Noon)	Session II (11:45 AM– 01:15 PM)		Session III (2:30 PM – 04:00 PM)	
Monday 17/03/2025	Introduction and Overview of the Programme (HVS)	Defining Academic Research and Research Process (HVS)		Copyrights and Referencing in Research (ADS)	
Tuesday 18/03/2025	Research Instrument's Validity and Data Analysis (SD)	Research Project Submission: Intricacies and Pathway (NB)		Multivariate Data Analysis and Selecting Appropriate Data Analysis Method (YVRM)	
Wednesday 19/03/2025	Various Sampling Techniques and Design of Research Instrument (HGS)	Tools for Bibliographic Analysis (RS)		Multiple Regression Using Excel (AM)	
Thursday 20/03/2025	Research in Industry: A Practitioner's Perspective (HS)	Structural Equation Modelling through 'R' (KB)		Research Avenues for Career Progression inline with New Education Policy (MS)	
Friday 21/03/2025	Research for Market Opportunities: An Entrepreneurial Perspective (AK)	Identity Matching of Social Network Users: A Textual Content Based Approach (DKS)		Reflection and Valediction (HVS / Participants)	

Resource Persons:

- HVS = Dr. Harsh Vardhan Samalia, Course Coordinator, Associate Professor and Head of EDIC Dept. NITTTR Chandigarh
 ADS = Er. Amardev Singh, Assistant Professor, EDIC Dept. NITTTR Chandigarh
 SD = Dr. Sunil Dutt, Former Prof and Head, Education and Education Management Department, NITTTR Chandigarh
 NB = Dr. Niraj Bala, Professor, EDIC Dept. NITTTR, Chandigarh
 YVRM = Dr. Y Venkata Ramana Murthy, Associate Professor, Centre for Management Studies, MNLU, Aurangabad
 HGS = Dr. Hergovind Singh, Assistant Professor, Department of Management Studies, MANIT, Bhopal
 RS = Dr. Rupinder Singh, Professor, Mechanical Engineering Department and Dean (Research & Innovation), NITTTR Chandigarh
 AM = Dr. Ankit Mahindroo, Assistant Professor, Thapar University, Patiala
 HS = Mr. Harshvardhan Sharma, Head - Automotive Retail Practice (India), Automotive Industry Consulting Group, Nomura Research Institute, Japan
 KB = Dr Kuldeep Baishya, Assistant Professor, IIT Guwahati
 MS = Dr. Meenakshi Sood, Associate Professor, Curriculum Development Department, NITTTR Chandigarh
 AK = Mr. Aditya Kansal, Director, Matins Pharma, Panchkula, Haryana
 DKS = Dr. Deepesh Kumar Srivastava, Assistant Professor, Information Management & Data Science, IMT Dubai

Subject: Permission for Arranging Faculty Development Programme on **"SolidWorks"**

Respected sir,

I, **Mr. Kumbar G. M.**, working as the H.O.D. of the Mechanical Engineering Department in our institute, would like to inform you that our department plans to organize a **Faculty Development Programme (FDP) on "SolidWorks"** for all Mechanical Engineering faculty members.

This programme will help improve the faculty's knowledge and skills in SolidWorks software. Therefore, I kindly request you to grant permission for organizing this beneficial event.

I humbly request you to consider this and allow us to conduct the FDP.

Yours faithfully

Mr. Kumbar G. M.

Subject: Invitation as a resource person for FDP on "SolidWorks"

Respected sir,

On the behalf of our institute Dr. A. D. Shinde College of Engineering, Bhadgaon. Mechanical Engineering Department, we are very pleased to inviting you as a resource person to deliver a faculty development programme on "SolidWorks" at our college campus. We are planning to arrange the FDP from 13/01/2025 to 14/01/2025 for our all our departments faculty memeber.

Your expertise and knowledge would definitely help our faculty'. We hope you can make time in your busy schedule and guide our college students.

Best regards

A FDP Report On SolidWorks

Organized by:

Department of Mechanical Engineering

Dr. A. D. Shinde College of Engineering, Bhadgaon

Date: January 13, 2025 to January 14, 2025.

1. Introduction

A FDP on SolidWorks was successfully organized by the Mechanical Engineering Department from January 13, 2025 to January 14, 2025. The objective of the event was to provide hands-on experience and technical knowledge about the SolidWorks Software.

2. Objectives of the FDP

1. To understand the **SOLIDWORKS interface, tools, and workflow.**
2. To develop skills in **creating 2D sketches and 3D part models.**
3. To learn **assembly modeling and creating mechanical assemblies.**
4. To generate **engineering drawings and basic documentation** for design projects

3. Event Schedule

DAY 01 (13/01/2025)

The FDP on SolidWorks commenced with the inauguration, followed by a session on the importance and applications of SolidWorks in mechanical design. Participants then engaged in hands-on training on **part modeling**, learning sketching, extrusion, and basic feature creation

Day 02 (14/01/2025)

On the second day of the FDP, participants learned **assembly modeling**, including mates, sub-assemblies, and exploded views. The session also covered **drawing creation, documentation, and applications** of SolidWorks in teaching and industry, with hands-on practice and discussion.

4. Outcome of the FDP

Faculty will be able to **create 3D parts, assemble components, and generate engineering drawings** using SolidWorks. They will gain the **confidence and skills to effectively use and teach SolidWorks** in **academic and project-based applications.**

DR. A. D. SHINDE COLLEGE OF ENGINEERING
Bhadgaon, Gadhinglaj. Dist: Kolhapur Pin: 416502
Academic Year 2024-25
Department of Mechanical Engineering

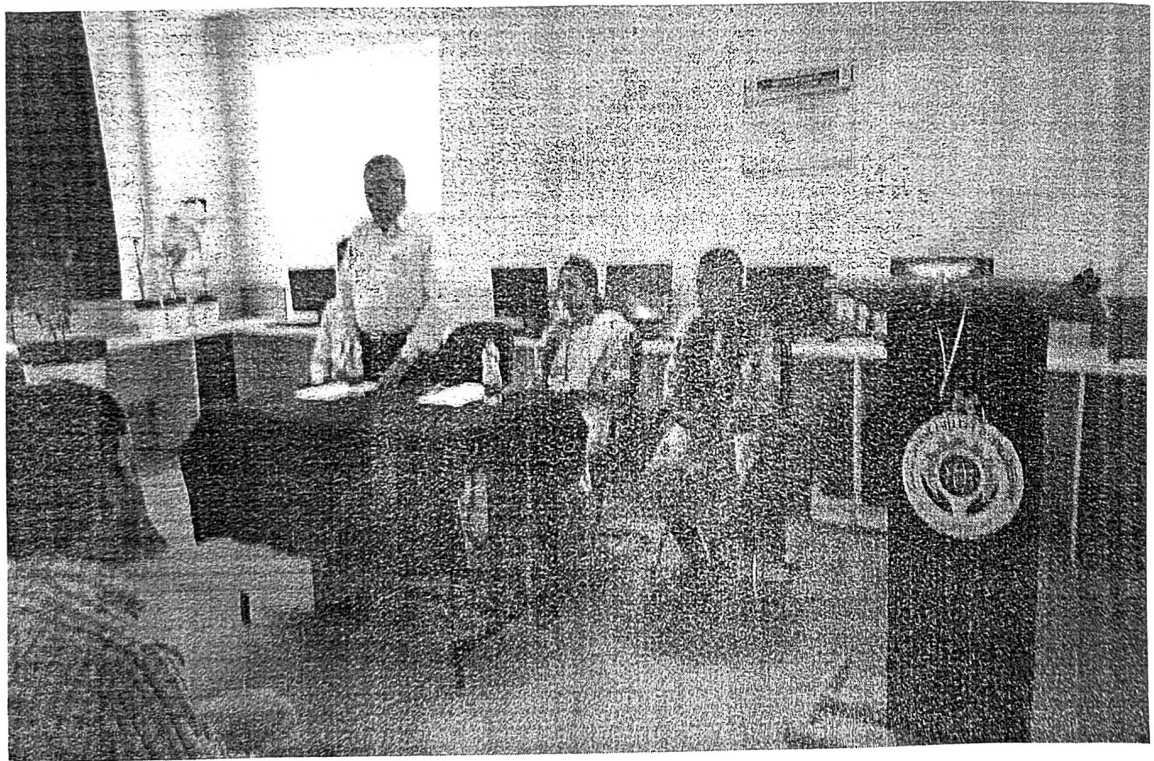

5. Conclusion

The two-day FDP on SolidWorks was successfully conducted, providing faculty members with practical knowledge and hands-on experience in part modeling, assembly, and drawing creation. The programme enhanced participants' skills and understanding, enabling them to effectively use SolidWorks for teaching and research purposes.

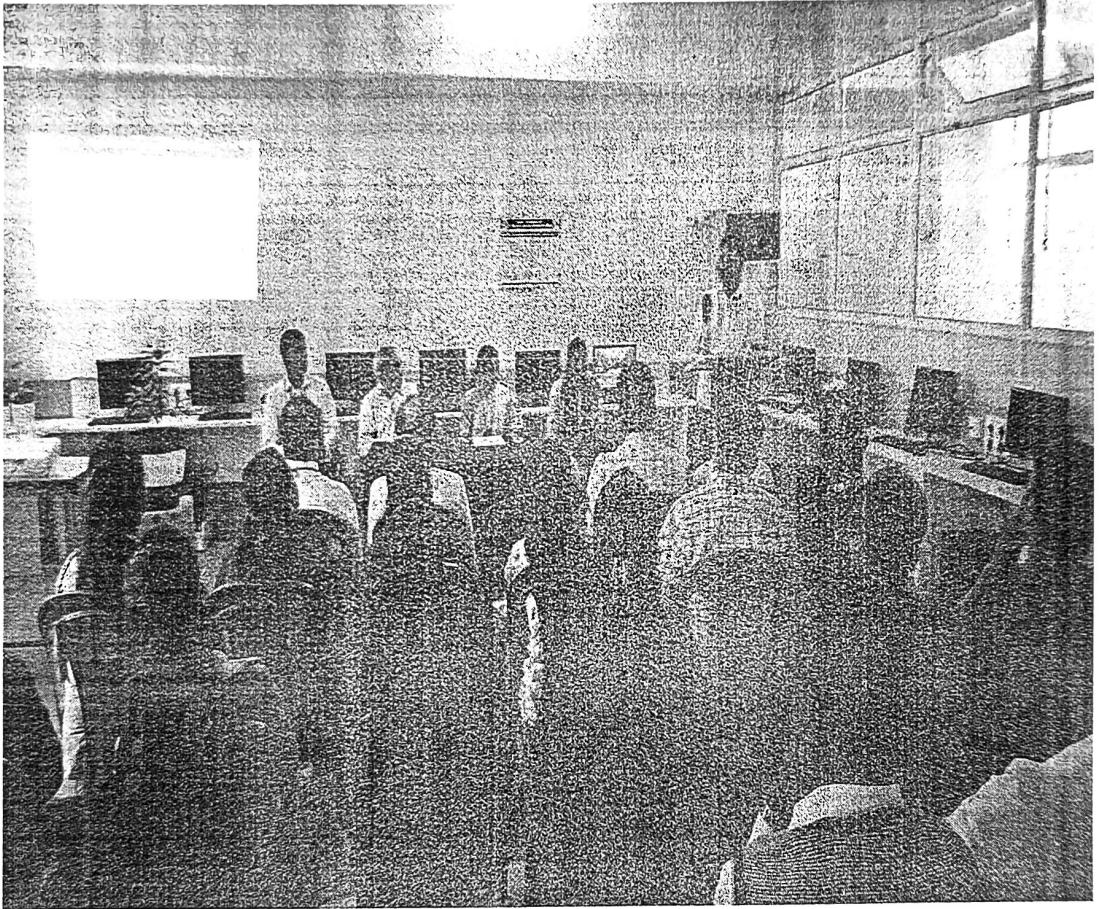

6. Acknowledgment

We sincerely thank our Principal, Dr. D. V. Ghewade, for his continuous support and encouragement. We also thank the Department of Mechanical Engineering and the organizing faculty members for their tireless efforts in making this FDP grand success.

Subject: *Seeking permission to conduct Faculty Development Programme (FDP)*

Respected Sir,

I respectfully submit that the Department of Electrical and Computer Engineering proposes to conduct a Faculty Development Programme (FDP) titled "MATLAB" from 03/09/2024 to 04/09/2024 at Dr. A. D. Shinde College of Engineering, Bhadgaon.

The objective of the FDP is to enhance the academic, research, and technical skills of faculty members and to update them with recent developments in the relevant field. The programme will be beneficial to faculty members of our institute and nearby institutions.

I kindly request you to grant permission to conduct the above-mentioned FDP and extend your support for the successful organization of the programme.

Thanking you in anticipation.

Subject: Letter of Appreciation for Conducting the FDP on MATLAB

Dear Sir,

On behalf of the Electrical Engineering Department at Dr A.D. Shinde College of Engineering, I would like to extend our heartfelt gratitude for sharing your expertise as the resource person during the two-day Faculty Development Program on "MATLAB " held on September 3rd and 4th, 2024.

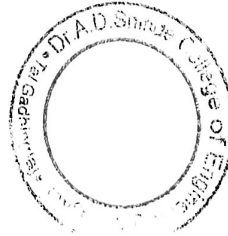

Your sessions were exceptionally insightful, particularly the hands-on demonstrations regarding [mention a specific session, e.g., Simulink and Data Visualization]. The faculty members found your teaching methodology highly engaging, and the feedback received has been overwhelmingly positive. The practical knowledge you shared will undoubtedly enhance our research and teaching capabilities.

We truly appreciate the time and effort you dedicated to making this program a success. We look forward to the possibility of collaborating with you again in future academic endeavors.

REPORT ON FACULTY DEVELOPMENT PROGRAM

Objective

The primary goal of this Faculty Development Program (FDP) was to empower educators with proficiency in **MATLAB (Matrix Laboratory)** and its application in modern engineering and research. Specifically, the program aimed to:

- Bridge the gap between theoretical concepts and computational implementation.
- Introduce participants to **Simulink** for modeling, simulating, and analyzing dynamic systems.
- Enhance faculty capabilities in data visualization, algorithm development, and GUI design.
- Foster an environment for interdisciplinary research using high-level programming languages.

DR.A. D. SHINDE COLLEGE OF ENGINEERING.

Bhadgaon, Gadhinglaj. Dist: Kolhapur Pin:416502

Department of Electrical Engineering

Academic Year 2024-25

Brief Summary

The two-day intensive program was designed as a blend of theoretical lectures and hands-on laboratory sessions.

- **Day 1: Fundamentals and Data Analysis** The session began with an introduction to the MATLAB environment, variable handling, and matrix operations. Participants explored built-in functions for linear algebra and calculus. The afternoon focused on **Data Visualization**, where faculty learned to generate 2D/3D plots and customize graphical outputs for publication-quality results.
- **Day 2: Advanced Programming and Simulink** The second day delved into script writing, logic control (loops and conditionals), and the creation of **App Designer** interfaces. A significant portion of the day was dedicated to **Simulink**, providing a block-diagram environment for multi-domain simulation. Attendees practiced building models for control systems and signal processing.

DR. A. D. SHINDE COLLEGE OF ENGINEERING.

Bhadgaon, Gadhinglaj. Dist: Kolhapur Pin:416502

Department of Electrical Engineering

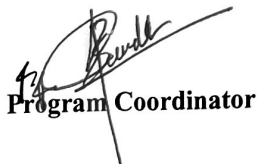

Academic Year 2024-25

Outcome

Upon completion of the program, the following milestones were achieved:

- **Technical Proficiency:** Participants successfully developed custom scripts to solve complex mathematical equations and automate repetitive tasks.
- **Curriculum Integration:** Faculty identified specific modules within their existing syllabi where MATLAB simulations could be used to enhance student engagement.
- **Research Readiness:** Attendees learned how to utilize MATLAB toolboxes (e.g., Image Processing, Optimization, or Statistics) to support their ongoing academic research.
- **Resource Development:** A repository of sample codes and simulation models was created, providing a lasting resource for the department.

Feedback Analysis

S.No	Faculty Name	Feedback Comments	Rating (1-5)
1	Prof.B.A.Angadi	"The session on GUI development was excellent. Very relevant to my current research project."	5
2	Prof.A.S Borganve	"Highly informative. The transition from basics to advanced toolboxes was very smooth and easy to follow."	5
3	Prof.A.S.Bhoi	"The resource person was very patient with queries. I now feel confident using MATLAB for signal processing."	4
4	Prof.R.V.Savyanavar	"Well-organized program. The hands-on exercises provided during the afternoon sessions were the highlight."	5
5	Prof.Shweta Bhoi	"Great insights into the Optimization Toolbox. I would suggest a longer duration for the Simulink portion next time."	4
6	Prof.Priyanka Lohar	"The workshop was very practical. It helped bridge the gap between theoretical math and computational simulation."	5
7	Prof.Deepa Mahajan	"Excellent delivery by the speaker. The study material and sample codes provided are very helpful for future reference."	5
8	Prof. Pallavi Kokitkar	"I appreciated the focus on real-world engineering problems. It was a very productive two-day session."	4
9	Prof.G.A.kumbhar	"The interactive nature of the FDP kept us engaged throughout. Very well-timed and managed."	5
10	Prof.I.T.Patel	"A very refreshing session. It has motivated me to integrate MATLAB-based assignments into my regular classes."	5

Academic Year 2024-25

Introduction

A training session on the "Online University Portal" was organized to enhance the proficiency of non-teaching staff in effectively using the portal for managing academic and administrative tasks. This session aimed to provide hands-on experience in navigating the portal's features and utilizing its functionalities to streamline work processes.

Objective: To familiarize staff with the university portal and improve their efficiency in handling student and administrative data.

Overview of the Training

The session covered the essential components of the online university portal, focusing on:

User Account Management:

- ❖ Logging in securely and managing credentials.
- ❖ Setting up user profiles and roles.

Student Data Management:

- ❖ Viewing and updating student records.
- ❖ Generating academic reports and transcripts.
- ❖ Administrative Functions:
 - ❖ Managing course schedules and faculty allocations.
 - ❖ Processing attendance records and examination details.

Communication Tools:

- ❖ Sending notifications and circulars to students and faculty.
- ❖ Handling queries through the portal.
- ❖ Document Management:
 - ❖ Uploading and downloading official documents.
 - ❖ Using the portal for fee management and online payments.

Key Highlights

- ❖ Hands-on training with real-time scenarios to build confidence in portal usage.
- ❖ Interactive Q&A session addressing challenges faced by participants.
- ❖ Tips and tricks for error-free operations and troubleshooting common issues.

DR. A. D. SHINDE COLLEGE OF ENGINEERING.
Bhadgaon, Gadhinglaj. Dist.: Kolhapur Pin:416502
Academic Year 2024-25

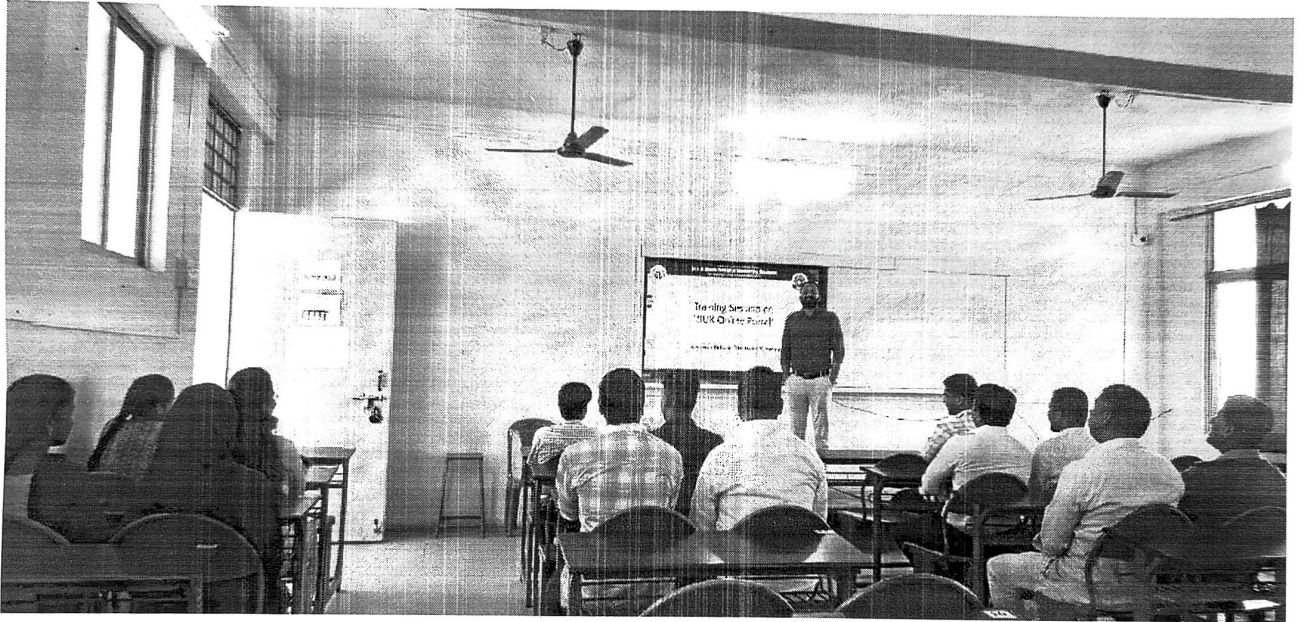

Outcomes of the Training

- ❖ Enhanced familiarity with the university portal's interface and features.
- ❖ Improved accuracy and speed in performing administrative tasks.
- ❖ Increased confidence among staff in handling portal-related operations independently.

A one-day training session on **"Office Automation"** was conducted to enhance participants' proficiency in using essential office automation tools, including Microsoft Word, Excel, and PowerPoint. The session aimed to provide hands-on experience and practical tips for effectively utilizing these tools in academic, professional, and personal settings.

Brief About the Training:

The "One-Day Training Session on Office Automation" was held on 06/11/2024 at Aryabhata classroom, at DADSCOE, Bhadgaon. The session saw participation from 14 Non-Teaching Staff.

Participants gained practical knowledge of office automation tools and learned how to use them to enhance productivity. The resource person demonstrated techniques for creating professional documents, analyzing data, and designing engaging presentations.

In addition to technical training, the session highlighted the importance of mastering automation tools in academic and professional contexts. The training concluded with an interactive Q&A session, addressing participants' queries comprehensively.

Subject: Invitation to be a Resource Person for – “MS Office -Training Program”

We are pleased to extend an invitation to you to be a **Resource Person** for the “MS Office - Training Program” organized by **Dr. A.D. Shinde College of Engineering** for our non-teaching faculty members. The program is aimed at enhancing the administrative and technical skills of our staff and will cover key aspects of **MS Office** tools and their practical applications in day-to-day work.

The details of the event are as follows:

- **Date of Program:** 19th April 2025
- **Time:** 10:30 AM onwards
- **Venue:** Sunita Willaims Classroom, Dr. A.D. Shinde College of Engineering

We believe that your expertise and experience in this domain will be immensely valuable to our non-teaching faculty members, and we would be honoured to have you lead the session. The training program will focus on various aspects of **MS Office, including Word, Excel, PowerPoint, and Outlook**, helping the participants enhance their productivity and efficiency.

Thank you for considering our request. We look forward to your positive response and the opportunity to collaborate with you.

Thanking you

Introduction

A one-day training session on "MS-Office" was conducted to enhance participants' proficiency in using Microsoft Office applications, including Word, Excel, and PowerPoint. The session aimed to provide hands-on experience and practical tips for effectively utilizing these tools in academic, professional, and personal settings.

Brief about the Training

The **"One Day Training Session on MS-Office"** was held on 19/04/2025 at the **Sunita Williams Classroom, DADSCOE, Bhadgaon**. This session, saw participation from **14 Non-Teaching Staff**.

The participants gained practical knowledge of **Microsoft Word, Excel, and PowerPoint** and learned how to utilize these tools effectively to enhance productivity. The resource person shared tips and techniques for designing professional documents, analyzing data in spreadsheets, and creating impactful presentations.

In addition to the technical training, the resource person shared insights from their professional experiences, emphasizing the importance of mastering these skills in academic and professional contexts. The session concluded with an interactive Q&A segment, where participants' doubts were addressed comprehensively.
