Suggestions and Comments

Sr. No	Suggestions and Comments received through the students feedback
1	Encourage students in research and publication of papers, work on innovation driven project.
2	Need to include advance software related to design work.
3	To Encourage in participate in coding challenges and technical competition.
4	Improve sports facilities.
5	Personality development programmes should be arranging every week.
6	Need to ask student that given topic was understood or not.
7	Every classroom of this college should have its own projector.
8	Improvement in institutes in structure.
9	To arrange a greater number of cultural activities.
10	More practical knowledge should be given.
11	Curriculum is good for solving analytical problem.
12	Hands on training should be given to the students.

Teacher's Feedback Form

Name of the Faculty: Prof. Vinayak S. Patil

Academic Year: 2024-25

Branch: Civil Engg.

Contact No: 8308842332

The feedback form is intended to collect information relating to your satisfaction towards the curriculum, Teaching – Learning process, academic performance and overall quality. The information provided by you will be kept confidential and will be used as important feedback for overall quality improvement of institution.

Please mark a tick '✓' in the appropriate cell for every statement.

Your responses below are for purpose of evaluation

4 - Strongly Agree	3 - Agree	2 - Neutral	1 - Disagree
--------------------	-----------	-------------	--------------

Sr. No.	Particular	Strongly Agree	Agree	Neutral	Disagree
1	Rate your opinion on the relevancy/ sufficiency of the courses on latest technology trends.	✓			
2	Does the curriculum have good mix of theory and laboratory aspects of courses?		✓		
3	Rate the liberty you are given to contribute your ideas in course revision, curriculum design, development and innovative pedagogical initiatives	✓			
4	Does the curriculum include value added courses/ soft skill training/ domain specific electives for enhancing constructive learning.	✓			
5	Rate your satisfaction on the process followed for the periodic curriculum revision by the institution		✓		
6	Your view on whether the experiences gained through Projects/ Internships/ certifications facilitated more Employability skills/ Communication skills/ confidence in students.	✓			
7	Does the curriculum have scope for acquiring strong knowledge and intellect on the specific domains through electives/CBCS/ Value Added Courses/ Certifications, etc.	✓			
8	Your opinion on the various platforms and opportunities facilitated by the Institution to achieve your goals.	✓			
9	Does the curriculum clearly state the learning outcomes and the process of assessment and evaluation?		✓		
10	Are the academic initiatives of the department contributing towards achieving the Mission and Vision of the institution.	✓			

Suggestions (If any): Need latest updated softwares.

4 - Strongly Agree 3 - Agree 2- Neutral 1 - Disagree

Sr. No.	Particular	Strongly Agree	Agree	Neutral	Disagree
1	Rate your opinion on the relevancy/ sufficiency of the courses on latest technology trends.	✓			
2	Does the curriculum have good mix of theory and laboratory aspects of courses?		✓		
3	Rate the liberty you are given to contribute your ideas in course revision, curriculum design, development and innovative pedagogical initiatives		✓	✓	
4	Does the curriculum include value added courses/ soft skill training/ domain specific electives for enhancing constructive learning.		✓		
5	Rate your satisfaction on the process followed for the periodic curriculum revision by the institution		✓		
6	Your view on whether the experiences gained through Projects/ Internships/ certifications facilitated more Employability skills/ Communication skills/ confidence in students.		✓		
7	Does the curriculum have scope for acquiring strong knowledge and intellect on the specific domains through electives/CBCS/ Value Added Courses/ Certifications, etc.	✓			
8	Your opinion on the various platforms and opportunities facilitated by the Institution to achieve your goals.		✓		
9	Does the curriculum clearly state the learning outcomes and the process of assessment and evaluation?			✓	
10	Are the academic initiatives of the department contributing towards achieving the Mission and Vision of the institution.	✓			

Suggestions (If any): Add more practicals

10	Whether the library facilities are suit for the self-learning for the students?	40	35	10	15

1. Rate your opinion on the relevancy/sufficiency of the courses on latest technology trends.

2. Does the curriculum have good mix of theory and laboratory aspects of courses.

3. Rate the liberty you are given to contribute your ideas in course revision, curriculum design, development and innovative pedagogical initiatives

4. Does the curriculum include value added courses/ soft skill training/ domain specific electives for enhancing constructive learning.

5. Rate your satisfaction on the process followed for the periodic curriculum revision by the institution

6. Your view on whether the experiences gained through Projects/ Internships/ certifications facilitated more Employability skills/ Communication skills/ confidence in students.

7. Does the curriculum have scope for acquiring strong knowledge and intellect on the specific domains through electives/CBCS/ Value Added Courses/ Certifications, etc

8. Your opinion on the various platforms and opportunities facilitated by the Institution to achieve your goals.

9. Does the curriculum clearly state the learning outcomes and the process of assessment and evaluation?

10. Are the academic initiatives of the department contributing towards achieving the Mission and Vision of the institution

H. C. D. S.
Dept. of Mechanical Engg.
Dr. A. D. Shinde College of Engg.
Bhadgaon, Tal. Govindgad.

Suggestions and Comments

Sr. No	Suggestions and Comments received through the teachers feedback
1	Labs and assignment should focus on theoretical understanding rather than real world application.
2	CAD related subject should be added from 3rd semester.
3	Need to include software for transportation engineering.
4	Need to increase GT Practicals.
5	Focus on theoretical understanding rather than real word applications or industries standard tools.
6	Need more faculty collaboration with industry partners to bring in real world Engineering projects for students.
7	More important should be given areas like power systems control system telecommunication and microelectronics.
8	Update the syllabus according to the industrial requirement.
9	Need to include more information on subject such as renewal energy embedded systems robotics and communication system.
10	Weightage for practical should be increased.
11	Strong focus should be given on industry relevant technical skills such as CAD design finite element analysis and simulation software.
12	More subjects should be added in the fields like solar power and wind energy.

Alumni Feedback on the Curriculum and
Overall Ambiance

Sample Feedback forms and its Analysis

Academic Year: 2024-25

Dinkarrao K. Shinde Smarak Trust's

Dr. A. D. Shinde

College of Engineering

Accredited by NAAC "B+", ISO 9001:2015 and ISO14001:2015

Approved by AICTE, New Delhi, DTE, Mumbai, Govt. of Maharashtra and Affiliated to Shivaji University, Kolhapur.

Date: 08/02/2025

Alumni Feedback Form

Name of the Alumni: Ranjit Patil

Branch: Civil Engineering

The purpose of this survey is to obtain alumni input on the quality of education they received and the level of preparation they had at institute. The information provided by you will be kept confidential and will be used as important feedback for overall quality improvement of institution.

Please mark a tick '✓' in the appropriate cell for every statement.

Your responses below are for purpose of evaluation

4 - Strongly Agree	3 - Agree	2 - Neutral	1 - Disagree
--------------------	-----------	-------------	--------------

Sr. No.	Particular	Strongly Agree	Agree	Neutral	Disagree
1	Rate your opinion on the relevancy/ sufficiency of the courses meeting the industry requirements?	✓			
2	Rate whether the experiences gained through projects/ internships/ certifications facilitated more employability skills/ communication skills/ confidence in you.	✓			
3	How effective is the Curriculum in developing analytical and problem-solving skills?		✓		
4	Does the curriculum include value added courses/ soft skill training/ domain specific electives for enhancing constructive learning?	✓			
5	Rate the scope of the syllabus in enhancing entrepreneurship skills/ lifelong learning/ human values and ethics.		✓		
6	Rate the scope of the curriculum in developing the following attributes - creativity, leadership, innovation, self-motivation, workplace ethics, social responsibility		✓		
7	The curriculum facilitates in acquiring the learning outcomes of the program of study.	✓			
8	Your opinion on the various platforms and opportunities facilitated by the Institution to achieve your goals.		✓		
9	Is the curriculum facilitating enhancement of practical competencies as needed by the industry?	✓			
10	Rate your participation in the various academic initiatives of the Institution.	✓			

Suggestions (If any): New design software should be added in to syllabus.

Suggestions and Comments

Sr. No	Suggestions and Comments received through the Alumnis feedback
1	Need to develop EDC cell.
2	On field training should be included into the syllabus.
3	Encourage integrated projects that combine hardware and software component such as IOT systems.
4	Increase hands on experience by incorporating more lab sessions coding assignments into the curriculum to enhance student's practical skills.
5	Introduce specialized models on trending fields like VLSI design Quantum computing and wearable technology to align with industry advancements.
6	Important should be given on industry relevant technical knowledge and skills.
7	MATLAB based Practicals should be added into the syllabus.
8	Final year project should be based on real world challenges and incorporate modern tools software and technologies.
9	Arrange more number of industrial visits.
10	Increase collaboration with industries for internships live projects and even give lectures.
11	Modify the lab and classrooms as per norms
12	Industrial training should be arranged at every semester.

Employer's Feedback on the Curriculum
and Overall Ambiance

Sample Feedback forms and its Analysis

Academic Year: 2024-25

Dinkarrao K. Shinde Smarak Trust's

Dr. A. D. Shinde College of Engineering

Accredited by NAAC "B+", ISO 9001:2015 and ISO14001:2015

Approved by AICTE, New Delhi, DTE, Mumbai, Govt. of Maharashtra and Affiliated to Shivaji University, Kolhapur.

Date: 25/02/22

Employer's Feedback Form

Name of the Respondent with Designation: Fs. Vinay Patil

Name of the Industry/Organization: Kedar Construction

Email Id: Kedarcconstructions09@gmail.com, Contact No: 8002590909

The feedback form is intended to collect information relating to your satisfaction towards the curriculum. Teaching – Learning process, academic performance and overall quality. The information provided by you will be kept confidential and will be used as important feedback for overall quality improvement of institution.

Please mark a tick '✓' in the appropriate cell for every statement.

Your responses below are for purpose of evaluation

4 - Strongly Agree	3 - Agree	2- Neutral	1 - Disagree
--------------------	-----------	------------	--------------

Sr. No.	Particular	Strongly Agree	Agree	Neutral	Disagree
1	Rate your opinion on the relevancy/ sufficiency of the courses meeting the industry requirements?	✓			
2	Rate the applicability of the tools/activities/case studies presented in the curriculum facilitating more employability skills among graduates.		✓		
3	How effective is the Curriculum in developing analytical and problem-solving skills.	✓			
4	Does the curriculum include value added courses/ soft skill training/ domain specific electives for enhancing constructive learning.	✓			
5	Rate the scope of the syllabus in enhancing entrepreneurship skills/ lifelong learning/ human values and ethics.	✓			
6	Curriculum reflects current trends and practices in the respective disciplines.		✓		
7	Does the curriculum effectively cover topics on fundamentals and latest technology?	✓			
8	The academic initiatives of the institution contribute towards achieving the Mission and Vision of the institution	✓			
9	Rate the proficiency of our graduates to adapt to industry requirements	✓			
10	The curriculum facilitates an overall holistic development of the student?	✓			

Suggestions (If any): More practical knowledge should be given.

Suggestions and Comments

Sr. No	Suggestions and Comments received through the Employers feedback
1	Some weightage should be given on verbal and nonverbal communication in the syllabus.
2	Give importance to site visits.
3	Subject related to structural health monitoring and structural audit should be added into the curriculum.
4	Final year project should be based on real world challenges and incorporated modern tools software and technology.
5	To encourage in participate in coding challenges and technical competition at national or global level.
6	Industry oriented syllabus should be implemented.
7	To encouraged the students to work on innovative project.
8	More important should be given area like power system control system telecommunications and microelectronics.
9	Importance should be given on industry relevant technical knowledge and skills.
10	More focus should be given on emerging technology like AI in engineering 3D printing and renewable energy.
11	Programs like CAD, CAE and FEA should be given more weightage.
12	Need to develop training and placement cell.

Action taken report on Feedback received from Students, Teachers, Alumnis and Employers on the syllabus and its transaction at the institute

Sr. No	Feedback received	Action taken
1	CAD related subject should be added from 3rd semester.	
2	Need to include software for transportation engineering.	
3	E Tab software should be added into the syllabus	
4	Need to increase GT Practicals.	
5	Weightage for practical should be increased.	
6	Need to include advance software related to design work.	
7	On field training should be included into the syllabus.	
8	Subject related to structural health monitoring and structural audit should be added into the curriculum.	Communicated with the BOS chairman, department of Civil Engineering, Shivaji University, Kolhapur.
9	Give importance to site visits.	
10	Need to develop EDC cell.	Frequently arranging Guest lectures by company founders, alumni entrepreneurs, CEOs etc. to all students.
11	Encourage students in research and publication of papers, work on innovation driven project.	Planning to conduct a college-level research symposium where students present their findings.
12	Modify the lab and classrooms as per norms	Already are as per norms and some are under construction.

Action taken report on Feedback received from Students, Teachers, Alumnis and Employers on the syllabus and its transaction at the institute

Sr. No	Feedback received	Action taken
1	To Encourage in participate in coding challenges and technical competition.	
2	Focus on theoretical understanding rather than real word applications or industries standard tools.	
3	Personality development programmes should be arranging every week.	
4	Increase hands on experience by incorporating more lab sessions coding assignments into the curriculum to enhance student's practical skills.	Communicated with the BOS chairman, department of Computer Science and Engineering, Shivaji University, Kolhapur.
5	Encourage integrated projects that combine hardware and software component such as IOT systems.	
6	Need more faculty collaboration with industry partners to bring in real world Engineering projects for students.	
7	Final year project should be based on real world challenges and incorporated modern tools software and technology.	
8	To encouraged the students to work on innovative project.	3D Printing and Prototyping Lab are established.
9	Training and Placement cell should be developed.	Planning to arrange more number of guest lectures on interview techniques, aptitude sessions and tests for third and final year students in college campus.
10	Improve sports facilities.	Already in progress.

MOU's

MEMORANDUM OF UNDERSTANDING BETWEEN

Giriraj Foundation, Sankeshwar and

Dr. A.D. Shinde College of Engineering, Bhadgaon, Gadchinglaj

1. This Memorandum of Understanding (herein after referred to as "MOU") is made and entered into by and between the Giriraj Foundation, whose address is 2nd Floor, Naikwadi Building, Near KSRTC Bus Stop, S G Road, Sankeshwar- 591313, Tal: Hukkeri, Dist: Belagavi (Email: girirajfoundation1119@gmail.com) and Dr. A.D. Shinde College of Engineering, Bhadgaon, Gadchinglaj- 416502 (Email: principal@adshindecoe.edu.in Mob. No.: 8380049000)
2. The purpose of this MOU is to establish the terms and conditions under which the Giriraj Foundation team will start certificate / add-on courses as informed by the Dr. A.D. Shinde College of Engineering, Bhadgaon, Gadchinglaj (Head of all Engineering Department /Principal/Management).
3. This MOU is effective upon the day and date last signed and executed by the duly authorized representatives of the parties to this MOU and the governing bodies of the parties and shall remain in full force until decided by both the parties. This MOU may be terminated, without cause, by either party after one year upon written notice, which shall be delivered by hand or by certified mail to the address listed above.
4. We Giriraj Foundation provide the certificate / add-on courses which will help the students to learn new practical job-oriented courses.

The following is the list of the certificate / add-on courses that we offer -

- a) Drone manufacturing and assembly technician
- b) Automotive IIOT application engineering
- c) DevOps engineer
- d) Cloud application engineer
- e) CCTV repair and installing
- f) Diploma in Computer Hardware and Networking and peripherals
- g) Certificate Course in Solar Panel Installation

- h) Certificate Course in Tally.
- i) Entrepreneurship Development Program (EDP)
- j) Microsoft Excel
- k) Digital Marketing

5. The training will be provided at your premises on the dates and the timings as agreed upon by both the parties. The duration of the course will be 4 hours a day (4 weeks in a month, the course time frame will be depending upon the course selected).

EFFECTIVE DATE AND DURATION OF MOU

- a) This MOU shall be effective from the date 27th September 2023.
- b) The duration of the MOU shall be for a period of 3 years from the effective date.

Subject: Inter Library Loan (ILL) Facility

Respected Sir,

With reference to above mentioned subject, we eager to establish the Inter Library Loan Facility with your college library in this academic year 2024-2025. Our college library has rich collection of reading Material in print & non print form. We have various reference book, Text Book, National & International Journals, Magazines, E-Journals, E-Boks, Project Reports and other reading material. However, to get additional information for the purpose of research, education, we wish to establish an Inter Library Loan facility with your college library. Hope your positive response for **Inter Library Loan** facility with you.

Thanking You,

Your Faithfully
