7.1.7 The Institution has Divyangjan-friendly, barrier free environment

Our institute provides a fully barrier-free campus environment that allows individuals with disabilities to move safely, access all facilities comfortably, and use resources independently. The infrastructure is thoughtfully designed to support their daily activities without the need for assistance, promoting equal participation and fostering an inclusive atmosphere throughout the campus.

Ramp:

For the safety of people with disabilities accessing the classrooms, labs, restrooms, library etc., ramp facilities are provided at key sites across the campus.

Divyangjan friendly college website:

Our college website is designed with accessibility features to support Divyangjan (persons with disabilities). It provides options such as increase/decrease text size, grayscale mode,

high/negative contrast, light background, and readable font settings. These features ensure that individuals with visual impairments can comfortably view and navigate the website content. The accessibility tools promote an inclusive digital environment, allowing Divyangjan students to access information independently and without difficulty.
