Brief about the workshop

The Faculty Development Programme (FDP) on CO-PO Mapping is conducted to all department faculty members to understand Course objectives, Course outcomes and Programme Outcomes. The FDP aims to effectively mapping of programme outcomes with course outcomes for faculty members of their respective courses.

Objectives:

1. **Understanding Course Outcomes (COs) and Programme Outcomes (POs):** To provide faculty members with a clear understanding of the concepts of Course Outcomes and Programme Outcomes and the importance of aligning them in curriculum design.
2. **Mapping COs to POs:** To demonstrate methodologies for systematically mapping course outcomes to programme outcomes, ensuring approach to curriculum development.

This programme will benefited faculty members to improving understanding of the concepts of Course Outcomes and Programme Outcomes mapping.
