## Overview

### Objectives of this workshop:

1. To introduce students to the fundamentals of 3D printing.
2. To familiarize them with various 3D printing techniques like FDM, SLA, and SLS.
3. To provide practical exposure in slicing software and G-code generation.
4. To print basic components and understand design constraints.

### Benefits in terms of Learning/Knowledge obtained

1. Understand the fundamentals and applications of 3D printing.
2. Gain hands-on experience with modeling and printing processes.
3. Explore career and research opportunities in additive manufacturing.

### **Overall report of the activity:**

A workshop on 3D printing 3.0 was conducted on 01/07/2025 to 03/07/2025 at Dr. A. D. Shinde College of Engineering, Bhadgaon. The primary goal of the workshop was to introduce participants to the latest advancements in **3D Printing 3.0**, including updated tools, materials, and real-world applications. The workshop focused on developing both conceptual understanding and practical skills in additive manufacturing.

#### **Day 1 – 1st July 2025**

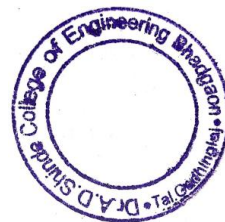

##### **Theme: Introduction to 3D Printing and its Evolution**

- Overview of Additive Manufacturing and the significance of 3D Printing in modern industries.
- Transition from traditional manufacturing to 3D Printing 3.0.
- Introduction to types of 3D printing technologies: FDM, SLA, SLS, etc.
- Live demonstration of 3D model design using CAD software.

#### **Day 2 – 2nd July 2025**

##### **Theme: Hands-on Training and Practical Insights**

- Introduction to slicing software and G-code generation.
- Printer setup, calibration, and maintenance.
- Material science in 3D printing – selection and characteristics of PLA, ABS, and advanced composites.
- Industry case studies in automotive, aerospace, and biomedical applications.

	<p style="text-align: center;">Dinkarrao K. Shinde Smarak Trusts</p> <p style="text-align: center;"><b>DR. A. D. ### Day 3 – 3rd July 2025

**Theme:** *Advanced Applications and Future Trends*

- Multi-material and multi-color printing techniques.
- Introduction to topology optimization and generative design.
- Challenges in 3D printing: errors, print failure, troubleshooting.
- Sustainability and future scope of 3D printing in Industry 4.0.
- Participant feedback, Q&A session, and certificate distribution.

Participants appreciated the interactive format, live demonstrations, and expert insights shared by the resource persons.

**Speaker:** - Mr. Shivanand S. Patane  
Incubation Manager, R & D Foundation  
Shivaji University, Kolhapur

**Platform:** Online

**Overall report of the activity:**

An insightful online session was conducted on 05/08/2025 at Dr. A. D. Shinde College of Engineering, Bhadgaon on “**Incubation Opportunities for Students & Faculties - Early-Stage Entrepreneurs**” by **Mr. Shivanand S. Patane**, Incubation Manager at the R & D Foundation, Shivaji University, Kolhapur. The session aimed to enlighten students, faculty members, and budding entrepreneurs about the vital role incubation centers play in fostering innovation and entrepreneurship within academic institutions.

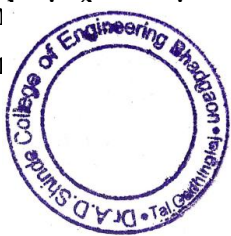

Mr. Patane began the session by emphasizing the increasing importance of incubation centers in transforming innovative ideas into successful startups. He elaborated on how incubation facilities provide a nurturing ecosystem that includes mentoring, access to infrastructure, funding support, and industry networking opportunities essential for early-stage ventures.

Throughout the session, the speaker highlighted the specific incubation opportunities available at Shivaji University's R & D Foundation, explaining the step-by-step process for students and faculty members to engage with the incubation program. He detailed the criteria for selection, the support mechanisms in place, and the benefits such as access to state-of-the-art labs, expert guidance, and business development services.

Overall, the session was highly informative and inspiring, motivating attendees to actively participate in incubation programs to transform innovative ideas into impactful ventures.

## Brief about the Idea Competition: -

The primary focus of **Algo-Rhythm 1.0** is a **UI/UX (Front-end) Designing Competition**. The competition aims to provide a platform for students to showcase their skills in web design using core web technologies such as **HTML**, **CSS**, and **JavaScript**. It is an opportunity for participants to apply their theoretical knowledge in a practical setting, challenge their creativity, and engage in constructive networking with peers from different institutions.

The event provides an excellent opportunity for students to:

- Gain hands-on experience in web design.
- Network with peers and industry experts.
- Develop skills essential for the digital age.

## Objective:

- Enhance students' technical skills in web development.
- Promote creativity and innovative thinking in UI/UX design.
- Provide a collaborative platform for students to network with like-minded individuals.
- Offer a valuable learning experience that contributes to the academic and professional growth of participants.

## Outcomes:

### Skill Development:

- Participants will gain hands-on experience in designing user interfaces and user experiences using HTML, CSS, and JavaScript.
- Improved technical proficiency in front-end web development.

भडगाव : डॉ. ए. डी. शिंदे अभियांत्रिकी महाविद्यालयात अल्गोरिदम १.० कार्यक्रमाच्या उद्घाटनप्रसंगी मान्यवर मंडळी.

## शिंदे अभियांत्रिकी महाविद्यालयात अल्गोरिदम १.० उत्साहात

गडहिंग्लज : पुढारी वृत्तसेवा

भडगाव (ता. गडहिंग्लज) येथील डॉ. ए. डी. शिंदे अभियांत्रिकी महाविद्यालयात संगणक विभागाच्या वतीने आयोजित तंत्रशिक्षणाशी निगडित 'अल्गोरिदम १.०' हा कार्यक्रम उत्साहात पार पडला. संस्थेच्या सचिव प्रा. स्वाती कोरी अध्यक्षस्थानी होत्या. एरोलिफ्ट कंपनीचे संस्थापक विनोद शिंदे हे प्रमुख पाहुणे म्हणून उपस्थित होते. प्राचार्य डॉ. डी. व्ही. घेवडे यांनी स्वागत केले.

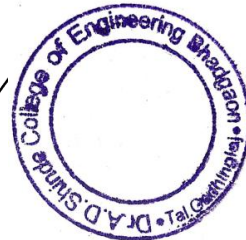

विनोद शिंदे यांनी युआययुएक्सचे आयटी क्षेत्रात असणारे महत्त्व, रोजगार संधी व युआययुएक्समध्ये होणारी क्रांती यावर विद्यार्थ्यांना मार्गदर्शन केले. युआययुएक्स डिझायनिंग स्पर्धा घेण्यात आली. महाराष्ट्र व कर्नाटकातील महाविद्यालयांतून विद्यार्थ्यांनी सहभाग नोंदविला.

अल्गोरिदम-युआययुएक्स

डिझायनिंग स्पर्धा ही दोन फेऱ्यांमध्ये घेण्यात आली. पहिल्या फेरीसाठी ऑनलाईन ऑप्टिड्यूट टेस्ट व दुसऱ्या फेरीत युआययुएक्स डिझायनिंग करण्याची संधी स्पर्धकांना देण्यात आली. या स्पर्धेत रोहित नितवडेकर-धनराज पाटील (डॉ. शिंदे अभियांत्रिकी भडगाव), वीरेंद्र देसाई-विशाल देसाई (के. आय. टी., कोल्हापूर) नागेश गुडळे-सुरज कारंडे (बापूजी साळुंखे इन्स्टिट्यूट) यांनी अनुक्रमे क्रमांक मिळविले. त्यांना पारितोषिके देऊन गौरविण्यात आले. प्रा. मयुरी निंबाळकर यांनी नियोजन केले. यावेळी सल्लागार महेश कोरी, प्रा. महेश हसबे, डॉ. वीरेश मठत, हेमंत करिंगार, प्रा. महादेव बंदी व शिक्षक, विद्यार्थी उपस्थित होते. प्रा. हिना नाईकवाडी यांनी सूत्रसंचालन केले. प्रा. पूनम जंगली त्यांनी आभार मानले.

**Name of the activity:** Session on “Angel Investment/VC Funding opportunity for Early-Stage Entrepreneurs”

**Speaker:** - Mr. Amit Pednekar  
 Founder & CEO, Simdaa Technology  
 6th Floor, The Kode, Baner-Pashan Link Road Pune – MH, India

**Platform:** Offline

**Overall report of the activity:**

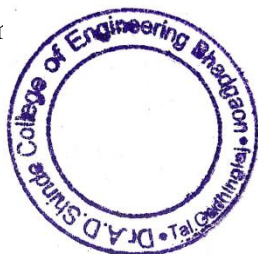

A session on “Angel Investment/VC Funding Opportunity for Early-Stage Entrepreneurs” was successfully organized by the **Institution's Innovation Council (IIC)** on **26th July 2025** at the **Seminar Hall, DADSCOE**. The event aimed to educate early-stage entrepreneurs and aspiring student innovators about the dynamics of startup funding, specifically focusing on angel investment and venture capital opportunities. The key objective was to familiarize participants with the funding landscape, equip them with practical knowledge on attracting investors, and inspire them to take confident steps toward building scalable startups.

The session featured an insightful talk by **Mr. Amit Pednekar**, a well-known startup mentor and angel investor. In his keynote address, Mr. Pednekar began by shedding light on the crucial role angel investors and venture capitalists play in supporting innovation and entrepreneurial growth. He explained the distinctions between the two types of funding and elaborated on what investors typically seek in early-stage startups—such as a strong founding team, market potential, innovative solutions, and validated business models. Through real-life examples and personal experiences, he emphasized the importance of storytelling, market research, and financial clarity in preparing an effective pitch.

Overall, the session proved to be highly beneficial for the participants, offering them a clearer understanding of the startup funding process and the steps they need to take to attract investors. The event witnessed active participation from students, budding entrepreneurs, and faculty members, concluding on a highly motivating note.

### Overview:

### Objectives of this session:

1. To provide students with a foundational understanding of 3D printing technology, including its processes (FDM, SLA, SLS), materials, and types of 3D printers.
2. Demonstrate how 3D printing can be leveraged to create prototypes, products, and innovative solutions for new ventures.
3. To encourage students to think creatively by designing their own 3D printable products or prototypes during the workshop.
4. To help students develop an entrepreneurial mindset by exploring how 3D printing can address specific market needs or solve real-world problems.

### Benefits in terms of Learning/Knowledge obtained

1. Comprehensive Understanding of 3D Printing Technology
2. Skill Development in Product Design and CAD Software
3. Insight into Cost-Effective Prototyping and Small-Scale Manufacturing
4. Entrepreneurial Strategies for Innovation and Market Entry

**Overall report of the activity:**

Two days workshop on “3D Printing” was held on 09/10/2024 to 10/10/2024 at the CAD laboratory, Mechanical Department. This workshop is conducted under the IIC activity. In this workshop participants are able to do software installation, design of Model, Machine assembly, 3D printing prototype

Through practical exercises and collaborative discussions, participants gained insights into structured approaches for identifying, analyzing, and addressing challenges. In this workshop there are total 43 students are participated along with 05 faculty members. This enthusiastic participation highlighted the workshop’s success in 3D printing for installation and developing new design for 3D printing.

Dr. P. D. Rout

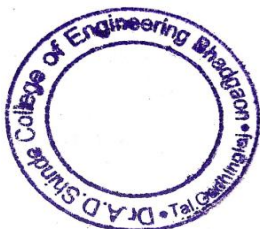

CEO, SUK Research and Development Foundation

During the visit, students were introduced to the core principles that drive an innovation-centric environment, including an entrepreneur-centric system, the spirit of innovation and collaboration, respect for every individual, and the importance of transparency, honesty, and integrity in professional actions. The program also emphasized the values of excellence and accountability, which are essential qualities for any aspiring entrepreneur.

The students gained significant learning and knowledge from the visit. They received practical exposure to entrepreneurship, learning how business ideas are nurtured into market-ready products or services. They had the opportunity to understand the startup lifecycle, from ideation to execution, and observed how startups leverage incubation support. The visit included sessions with experienced mentors and domain experts, who provided guidance on market trends, business strategies, and product development.

In addition, the visit helped students improve their soft skills such as communication, leadership, and teamwork, while also enhancing their technical and managerial capabilities. They explored how incubation centers offer access to key resources, including co-working spaces, research tools, prototyping labs, and business software. This hands-on exposure gave them a better understanding of how infrastructure and mentorship play a crucial role in shaping successful startups.

## Overview

### Objectives of this session:

1. Academic & Technical Learning
2. Understand Industry Standards
3. Hands-on Experience
4. Identify Project & Research Ideas
5. Align Theoretical Knowledge with Industry Trends

### Benefits in terms of Learning/Knowledge obtained

1. Students will understand how electronics engineering concepts are applied in real-world industries.
2. Students will be more aware of career opportunities and industry requirements.
3. The visit will help students align their academic knowledge with industry trends and expectations.
4. Students will identify new project ideas and potential research areas in electronics.
5. Encourages students to think innovatively and consider starting their own electronics-based ventures.

### **Overall report of the activity:**

The scheduled visit to Robosap, Nipani on October 19, 2024, will provide valuable insights into the field of electronic components and automation. Robosap is a company specializing in the design, development, and manufacturing of advanced electronic components used in robotics, automation, and industrial applications. This visit will offer participants a firsthand look at the production processes, quality control measures, and innovative technologies shaping the electronics industry. It will be an excellent opportunity to interact with experts, explore cutting-edge developments, and understand the role of electronic components in modern automation systems.

## Overview

### Objectives of this session:

1. Understand the importance of innovation and start-up ecosystem enablers.
2. Identify the key stakeholders and resources that support start-up growth in the region.
3. Learn the strategies to leverage ecosystem enablers for product development and scaling.
4. Strengthen skills to transform concepts into scalable and sustainable start-up ventures.
5. Develop strategies to align innovative ideas with market and ecosystem needs.

### Benefits in terms of Learning/Knowledge obtained

1. Learn to connect innovative product ideas with real-world problems and opportunities.
2. Acquire knowledge about support systems such as incubation centers, funding bodies, and industry mentors.
3. Enhance the ability to design sustainable business strategies for innovation-driven projects.
4. Strengthen problem-solving and critical thinking abilities through real-world challenges.
5. Build confidence in presenting and pitching innovative ideas to mentors, investors, or stakeholders.

**Overall report of the activity:**

The "One Day Session on Innovative and Start-up Ecosystem Enablers from the Region" was held on 25/08/2025, at the Dr. Mokshagundam Visvesvaraya Seminar Hall, DADSCOE, Bhadgaon. This session, organized in collaboration with the Institution's Innovation Council (IIC), aimed to provide participants with valuable insights into the resources, stakeholders, and opportunities that support innovation and start-up development in the regional ecosystem.

Participants gained a **clear understanding of how start-up ecosystem enablers contribute to innovation**, learned to **connect product ideas with real-world challenges**, and enhanced their knowledge of designing **sustainable and scalable strategies** for start-up ventures. The session also emphasized the significance of **networking, ecosystem awareness, and strategic planning**, ensuring that learners obtained practical knowledge that can be applied in their entrepreneurial journey.

**Name of the Program: “Kaushalam”**

**Program Type:** Competition

**Program Theme:** Innovation & Design Thinking

**Start Date:** 08/03/2025

**End Date:** 08/03/2025

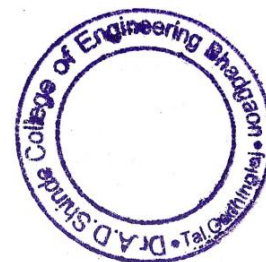

**Time:** 10:00AM to 4:00PM

**Venue:** Computer Lab, CSE Department DADSCOE, Bhadgaon

**Number of students participants:**54

**Number of Faculty Participants:** 08

**Mode of Participation:** offline

## Overview

### Objectives of this session:

1. To provide a platform for students to showcase and improve their SQL and database management skills.
2. To encourage participants to solve real-world problems using structured and optimized SQL queries.
3. To develop analytical and problem-solving abilities by challenging students with practical database scenarios.
4. To encourage participants to think critically about the performance and efficiency of database operations.

### Benefits in terms of Learning/Knowledge obtained

1. Participants gain a deeper understanding of SQL concepts, including query formation, optimization, and database management.
2. Enhanced ability to write efficient and accurate SQL queries under time constraints.
3. Students bridge the gap between theoretical learning and real-world database systems
4. Improved ability to analyze the impact of queries on database performance.

**Name of the activity: “Kaushalam”**

**Platform:** Offline

**Overall report of the activity:**

The "One Day Kaushalam " was held on 08/03/2025, at the Computer Lab. DADSCOE, Bhadgaon. This event, organized in association with department of CSE, was a significant event aimed at enhancing participants' SQL proficiency and understanding of database systems.

The first round is an Aptitude Test on SQL Queries, lasting 45 minutes, which evaluates participants' foundational knowledge of Structured Query Language (SQL).

This round comprises objective or short-answer questions covering essential SQL concepts, including basic SQL syntax such as SELECT, INSERT, UPDATE, and DELETE commands. It also tests participants on query formation for data retrieval and manipulation, various types of joins such as INNER JOIN, LEFT JOIN, RIGHT JOIN, and FULL JOIN, along with aggregate functions like COUNT, SUM, AVG, MIN, and MAX.

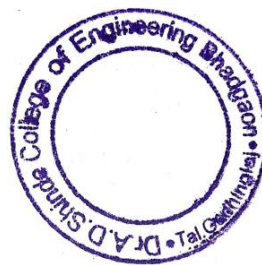

Additionally, it examines knowledge of constraints and keys, including primary keys, foreign keys, unique, and NOT NULL constraints.

# न्यूनगंड काढून स्वतःला आजमवावे मदन कुलकर्णी : शिंदे अभियांत्रिकीत टेक मंथनचे उद्घाटन

## ■ सकाळ वृत्तसेवा

गडहिंग्लज, ता. ८ : “आपल्यातील न्यूनगंड बाजूला सारून आजच्या कॉर्पोरेट जगात स्वतःला आजमवावे, त्यामुळे नक्की यशस्वी होता येते,” असा आशावाद उद्योजक मदन कुलकर्णी यांनी व्यक्त केला.

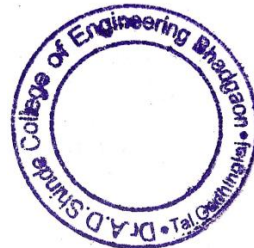

भडगाव (ता. गडहिंग्लज) येथील डॉ. ए. डी शिंदे कॉलेज ऑफ इंजिनिअरिंगमध्ये ‘टेकमंथन’ या राष्ट्रीय स्तरावरील टेक्निकल स्पर्धांचे उद्घाटन कार्यक्रमात ते बोलत होते. श्री. कुलकर्णी यांच्याहस्ते उद्घाटन झाले. संस्थेच्या सचिव प्रा. स्वाती कोरी अध्यक्षस्थानी होत्या. संस्थाध्यक्षा उर्मिला शिंदे, सल्लागार महेश कोरी यांची प्रमुख उपस्थिती होती. यावेळी श्री. कुलकर्णी

भडगाव : शिंदे इंजिनिअरिंगमध्ये टेकमंथन उद्घाटनप्रसंगी अध्यक्ष उर्मिला शिंदे यांचे स्वागत डॉ. डी. व्ही. घेवडे यांनी केले. यावेळी मदन कुलकर्णी, स्वाती कोरी, महेश कोरी उपस्थित होते.

यांनी ग्रामीण बुद्धिमत्ता ही प्रगल्भ असून, संप्रेक्षणातील न्यूनगंड बाजूला केल्यास आपण कुठेच कमी पडणार नसल्याचे सांगितले. तसेच त्यांनी स्वतःच्या उद्योजकापर्यंतच्या वाटचालीचा संघर्षमय आढावा घेतला. अभियांत्रिकी शिक्षण प्रवाहात अभ्यासक्रमाव्यतिरिक्त इतर उद्देश तसेच कौशल्य आत्मसात

करण्यासाठी या स्पर्धा उपयुक्त ठरत असल्याचे मत प्राचार्य डॉ. डी. व्ही. घेवडे यांनी व्यक्त केले. सौ. कोरी यांचेही भाषण झाले. या स्पर्धेमध्ये २७० विद्यार्थ्यांनी सहभाग नोंदवला. पूजा शिरगावे यांनी सूत्रसंचालन केले. समन्वयक इम्रान पटेल यांनी आभार मानले.

**Speaker:** - Dr. S. K. Nerle  
Science Center Gadhinglaj

**Platform:** Offline

### Overall report of the activity:

The National Science Day was celebrated on February 28, 2025, at the Salim Ali Classroom, DADSCOE, Bhadgaon. This event, organized in association with the Institution's Innovation Council (IIC), aimed to encourage curiosity, critical thinking, and a scientific mindset among students. It also fostered innovative thinking, leading to technological developments beneficial to society.

The primary objective of National Science Day is to inspire young minds to pursue careers in science and research. The event raised awareness about the role of science in daily life and motivated students to take an interest in STEM (Science, Technology, Engineering, and Mathematics). In this program we provide Highlights advancements in science, technology, and innovation to the students.

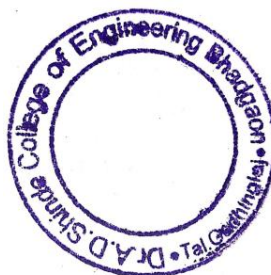

He focused on how science impacts our everyday lives and encouraged students to come up with their own innovative ideas. He mentioned that even in the smallest things, students can research and potentially create something groundbreaking, even earning patents for their discoveries.

**Overall report of the activity:**

A **Poster Presentation Competition** was successfully organized on 28/02/2025 at Sir. C. V. Raman Classroom DADSCOE, Bhadgaon on the topics **Science and Society, Global Warming, and Viksit Bharat**. In this Competition total 25 groups were participated for poster presentation. The event aimed to encourage students to creatively express their ideas on these significant themes and promote awareness of scientific advancements, environmental concerns, and national development.

The competition began with an **inaugural session** where Judges addressed the participants, emphasizing the importance of science in societal progress, environmental sustainability, and national development. Students from first year department actively participated and presented **visually appealing, informative, and thought-provoking posters**. Each poster was evaluated based on **creativity, clarity, originality, time management and presentation skills**.

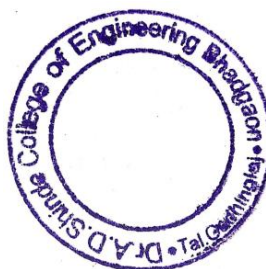

A panel of judges evaluated the posters, and winners were announced in the closing ceremony. Prizes and certificates were distributed to outstanding participants. The **Poster Presentation Competition** successfully **engaged students** in scientific discussions.

**Name of the Program:** Pratikruti – Engineer the future with 3D printing.

**Program Type:** Competition

**Program Theme:** Innovation & Design Thinking

**Start Date:** 08/03/2025

**End Date:** 08/03/2025

**Time:** 10:00AM to 4:00PM

**Venue:** CAD Lab, Mechanical Department at DADSCOE

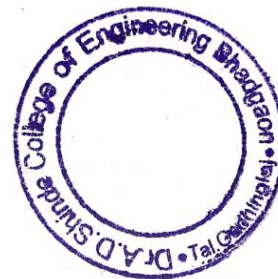

**Number of students participants:** 40

**Number of Faculty Participants:** 01

**Mode of Session delivery:** offline

**Overview**

**Objectives of this Program:**

1. **Design Optimization** – Utilize 3D printing to create complex geometries and lightweight structures that are difficult to manufacture using traditional methods.
2. **Rapid Prototyping** – Accelerate the product development cycle by quickly producing prototypes for testing and design validation.
3. **Customization & Flexibility** – Enable the production of customized mechanical components with minimal modifications to the design process.
4. **Cost & Material Efficiency** – Reduce material waste and overall manufacturing costs by using additive manufacturing techniques instead of subtractive processes.

**Benefits in terms of Learning/Knowledge obtained**

1. Understanding Additive Manufacturing Principles
2. Improved Design & CAD Skills
3. Material Science & Selection
4. Problem-Solving & Innovation

# न्यूनगंड काढून स्वतःला आजमवावे

## मदन कुलकर्णी : शिंदे अभियांत्रिकीत टेक मंथनचे उद्घाटन

### ■ सकाळ वृत्तसेवा

गडहिंग्लज, ता. ८ : “आपल्यातील न्यूनगंड बाजूला सारून आजच्या कॉर्पोरेट जगात स्वतःला आजमवावे, त्यामुळे नक्की यशस्वी होता येते,” असा आशावाद उद्योजक मदन कुलकर्णी यांनी व्यक्त केला.

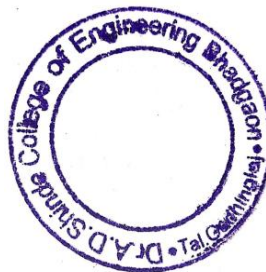

भडगाव (ता. गडहिंग्लज) येथील डॉ. ए. डी शिंदे कॉलेज ऑफ इंजिनिअरिंगमध्ये ‘टेकमंथन’ या राष्ट्रीय स्तरावरील टेक्निकल स्पर्धांचे उद्घाटन कार्यक्रमात ते बोलत होते. श्री. कुलकर्णी यांच्याहस्ते उद्घाटन झाले. संस्थेच्या सचिव प्रा. स्वाती कोरी अध्यक्षस्थानी होत्या. संस्थाध्यक्षा उर्मिला शिंदे, सल्लागार महेश कोरी यांची प्रमुख उपस्थिती होती. यावेळी श्री. कुलकर्णी

भडगाव : शिंदे इंजिनिअरिंगमध्ये टेकमंथन उद्घाटनप्रसंगी अध्यक्षा उर्मिला शिंदे यांचे स्वागत डॉ. डी. व्ही. घेवडे यांनी केले. यावेळी मदन कुलकर्णी, स्वाती कोरी, महेश कोरी उपस्थित होते.

यांनी ग्रामीण बुद्धिमत्ता ही प्रगल्भ असून, संप्रेक्षणातील न्यूनगंड बाजूला केल्यास आपण कुठेच कमी पडणार नसल्याचे सांगितले. तसेच त्यांनी स्वतःच्या उद्योजकापर्यंतच्या वाटचालीचा संघर्षमय आढावा घेतला. अभियांत्रिकी शिक्षण प्रवाहात अभ्यासक्रमाव्यतिरिक्त इतर उद्देश तसेच कौशल्य आत्मसात

करण्यासाठी या स्पर्धा उपयुक्त ठरत असल्याचे मत प्राचार्य डॉ. डी. व्ही. घेवडे यांनी व्यक्त केले. सौ. कोरी यांचेही भाषण झाले. या स्पर्धेमध्ये २७० विद्यार्थ्यांनी सहभाग नोंदवला. पूजा शिरगावे यांनी सूत्रसंचालन केले. समन्वयक इम्रान पटेल यांनी आभार मानले.

**Overall report of the activity:**

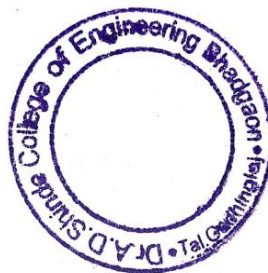

The "Pratikruti – Engineer the future with 3D printing. " was held on 08/03/2025, at the **CAD Lab, Mechanical Department at DADSCOE, Bhadgaon**. This competition, organized in collaboration with the Institution's Innovation Council (IIC), was aimed at a design and 3D printing play a crucial role in modern manufacturing by enabling rapid prototyping and production of complex components. Using CAD software, engineers create detailed digital models optimized for additive manufacturing. 3D printing allows for reduced material waste, cost savings, and faster development cycles. Various materials, including plastics and metals, are used to produce strong and functional parts. This technology enhances innovation, customization, and efficiency in mechanical engineering applications.

## Overview

### Objectives of this session:

1. To Make Participants Understanding Concepts.
2. Design and Prototyping
3. To Make Participants Aware of the Benefits Innovation and Experimentation.
4. To Equip Participants with Practical Tools for Ideation and Innovation

### Benefits in terms of Learning/Knowledge obtained

1. It encouraged teamwork and innovation as participants collaborated on project designs.
2. Develops the ability to identify, analyze, and troubleshoot issues.
3. Increases familiarity with electronic components.
4. Builds confidence in handling electronic systems

**Name of the activity:** Pravahini.

**Platform:** Offline

**Overall report of the activity:**

The "ONE Day Pravahini 2k25" was held on 08/03/2025, at the Digital Electronics Lab. DADSCOE, Bhadgaon. This event, organized in association with department of ECS, was a significant event aimed at enhancing participants' understanding of enhanced problem-solving and analytical skills through troubleshooting exercises.

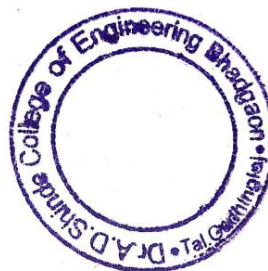

The event aimed to enhance practical knowledge and technical skills related to circuit building, component identification, and troubleshooting. The Circuit Building Workshop 2025 was a successful and engaging event that provided an excellent platform for students to develop practical skills in electronics. The enthusiastic participation and positive feedback indicated a high level of interest, paving the way for more such technical events in the future.

**Name of the activity:** Workshop on Problem Solution Fit and Product Market Fit.

**Speaker:-** Mr. Salman Chougule  
APTAC Solutions  
Student Counselor

**Platform:** Offline

**Overall report of the activity:**

The "**One Day Workshop on Achieving Problem-Solution Fit and Product-Market Fit**" was held on 24/02/2025, at the Dr. Mokshagundam Visvesvaraya Seminar Hall, DADSCOE, Bhadgaon. This workshop, organized in collaboration with the **Institution's Innovation Council (IIC)**, was a pivotal event designed to enhance participants' understanding of how to achieve alignment between customer needs and product offerings, ultimately leading to business success.

Through a combination of interactive discussions, case studies, and hands-on exercises, participants gained a deeper understanding of the critical stages of Problem-Solution Fit and Product-Market Fit. The workshop provided practical insights into identifying real customer pain points, validating solutions, and evaluating market demand.

# मनाच्या मशागतीतून नवसंकल्पनांचा जन्म

## सूर्यकांत दोडमिसे : शिंदे इंजिनिअरिंगमध्ये कार्यशाळा उत्साहात

■ सकाळ वृत्तसेवा

गडहिंग्लज, ता. ८ : स्टार्टअप करण्यासाठी नवसंकल्पनांसह समस्या निराकरणातून नवीन उद्योगनिर्मिती करण्यास बळ मिळते. तरुण वयात अधिकाधिक मनाची मशागत झाल्यास नवसंकल्पनाचा जन्म होतो. त्यासाठी वाचन, अभ्यास दौरे, प्रयोगशीलता या त्रिसूत्रीचा अवलंब करावा, असे आवाहन सूर्यकांत दोडमिसे यांनी केले.

भडगाव (ता. गडहिंग्लज) येथील डॉ. ए. डी. शिंदे कॉलेज ऑफ इंजिनिअरिंगच्या इन्स्टिट्यूट इनोव्हेशन कौन्सिलतर्फे प्रॉब्लेम सोल्विंग अँड आयडिएशन या विषयावर एक दिवसीय कार्यशाळा झाली. त्यावेळी मार्गदर्शक म्हणून दोडमिसे बोलत होते.

दरम्यान, सकाळच्या सत्रात प्राचार्य

भडगाव : डॉ. ए. डी. शिंदे इंजिनिअरिंगमधील कार्यशाळेत सूर्यकांत दोडमिसे यांचा सत्कार डॉ. डी. व्ही. घेवडे यांच्या हस्ते झाला. यावेळी किशोर जोशी, विरेश मठद, इरफान त्रासगर आदी उपस्थित होते.

डॉ. डी. व्ही. घेवडे, प्रा. किशोर जोशी, डॉ. विरेश मठद यांच्या उपस्थितीत कार्यशाळेचे उद्घाटन झाले. प्राचार्य डॉ. घेवडे यांनी नव संकल्पनावर काम केल्याने त्याद्वारे संशोधनास वाव मिळतो व विद्यार्थी दशेपासूनच हे कौशल्य बिंबवणे गरजेचे असल्याचे मत मांडले. कार्यशाळेत प्रथम व द्वितीय वर्षातील

१५० विद्यार्थी सहभागी झाले. त्रिनेत्र या नवसंकल्पना उपक्रमाचे उद्घाटन झाले. महाविद्यालयअंतर्गत हॅकथॉनचे नियोजन केले. गत महिन्याच्या नवसंकल्पना-त्रिनेत्र उत्तम संकल्पक म्हणून निकिता दास हिला प्रथम क्रमांकाने गौरवले. तिला ऑक्टोबर महिन्याची नवसंकल्पक म्हणून जाहीर

केले. समन्वयक म्हणून प्रा. संजना सोलापुरे यांनी काम पहिले. प्रा. इरफान त्रासगर यांनी प्रास्ताविक केले. निर्मंत्रक प्रा. अमर बांदेकर यांनी आभार मानले. संस्थाध्यक्षा उर्मिला शिंदे, सचिव प्रा. स्वाती कोरी, सल्लागार महेश कोरी व प्राचार्य डॉ. डी. व्ही. घेवडे यांचे मार्गदर्शन मिळाले.

**Overall report of the activity:**

The "**One Day Workshop on Raising Capital and Managing Finance for Startups**" was held on **04/04/2025**, at the Sunita Williams Classroom, DADSCOE, Bhadgaon. This workshop, organized in association with the **Institution's Innovation Council (IIC)**, was a significant initiative designed to equip aspiring entrepreneurs and early-stage startup founders with essential financial knowledge and fundraising strategies.

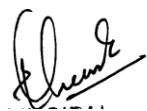

Through expert-led sessions, case studies, and interactive discussions, participants gained practical insights into the startup funding lifecycle, financial planning, valuation techniques, and investor engagement. The workshop emphasized real-world applications, helping attendees understand how to prepare for funding rounds, manage financial resources effectively, and make informed strategic decisions.

This session not only enhanced financial literacy among participants but also empowered them with the confidence to navigate the challenges of raising capital and sustaining long-term financial health in the startup ecosystem, making it a highly valuable learning experience.

## **A Report on National Level Technical Event** **“TECHMANTHAN 2K25”**

### **Organized by:**

Dr. A. D. Shinde College of Engineering, Bhadgaon, Gadhinglaj.

Date: 7<sup>th</sup> and 8<sup>th</sup> February 2025.

### **1. Introduction**

TechManthan 2K25, the National Level Technical Festival of Dr. A. D. Shinde College of Engineering, Bhadgaon, stands as a flagship platform aimed at nurturing creativity, innovation and technological excellence among students. The event was conducted on 7<sup>th</sup> and 8<sup>th</sup> February 2025 with enthusiastic participation from students across multiple institutions from Maharashtra and Karnataka. Since its establishment in 2014, the institute has consistently aimed to promote rural talent and provide high-quality technical education. With approval from AICTE, affiliation to Shivaji University Kolhapur and accreditation from NAAC with a B+ grade, the college has rapidly emerged as a center of academic excellence in Western Maharashtra.

TechManthan has been an annual tradition, serving as a medium for students to engage in real-time problem solving, collaborative learning, and technical competitions that align with industry requirements. TechManthan 2K25 continued this legacy by offering a wide range of departmental events, paper and poster presentations, industry expert interactions and opportunities to learn emerging technologies. The event aimed to bridge the gap between theoretical learning and practical application while motivating students to build a strong foundation for their professional careers.

#### 4. Outcome of the Event

- Enhanced technical knowledge among the students.
- Improved student collaboration.
- Industry exposure.
- Improved organizational skills.

#### 5. Conclusion

TechManthan 2K25 successfully fulfilled its mission of creating an academically stimulating and technologically vibrant environment for students. The two-day event showcased the exceptional talents of young technocrats and provided them with a valuable opportunity to demonstrate their skills on a national platform. The event strengthened the bond between academia and industry, with dignitaries and expert judges offering guidance that enriched the participant experience. The enthusiastic response from students, faculty, and guests contributed immensely to the event's success.

With continued support from management, dedicated faculty, and motivated students, the institute looks forward to organizing even more impactful and innovative editions of TechManthan in the future, further contributing to the growth and development of budding engineers across the nation.

#### 6. Acknowledgment

We sincerely thank our Principal, Dr. D. V. Ghewade, for his continuous support and encouragement. We are also thankful to all the teaching faculties and non-teaching staff and the organizing committee members for their tireless efforts in making this national level technical event a grand success.

## Brief about the Hackathon: -

The Intra College Hackathon - “**TRINETRA**” is organized by the **Institution's Innovation Council (IIC)** at **DADSCOE, Bhadgaon**.

- Students are encouraged to drop their innovative ideas into the “**Innovative Idea Box**” during the event.
- The hackathon serves as a platform for creativity and innovation, aiming to foster problem-solving and technical skills among participants.

This event is an excellent opportunity for students to showcase their ideas and contribute to innovation-driven initiatives. The Intra college Hackathon was organized on 7/11/2024 to 08/11/2024 at DADSCOE, Bhadgaon. Total student participated for the hackathon was 40. The problem statement given for the Hackthon is- “**Ideas that can boost fitness activities and assist in keeping fit**”.

## Objective of the Program:

**Encouraging Innovation:** Inspire students to think creatively and propose innovative solutions to real-world problems.

**Skill Development:** Enhance critical thinking, technical proficiency, and teamwork among participants.

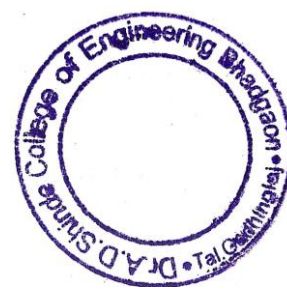

**Promoting Entrepreneurship:** Motivate students to explore entrepreneurial possibilities through their ideas.

## Outcome of the Program:

**Innovative Solutions:** Students will generate creative and practical ideas to address real-world challenges.

**Enhanced Skills:** Participants will develop critical thinking, technical expertise, and collaborative skills.

**Idea Validation:** Students will gain confidence in their ability to present and refine their ideas for real-world applicability.

**Overall report of the activity:**

The "**One Day Workshop on design thinking, critical thinking and innovation design**" was held on 02/04/2025, at the Dr. Mokshagundam Visvesvaraya Seminar Hall, DADSCOE, Bhadgaon. This workshop, organized in collaboration with the **Institution's Innovation Council (IIC)**, was aimed to equip participants with problem-solving skills, creative methodologies, and structured approaches to innovation.

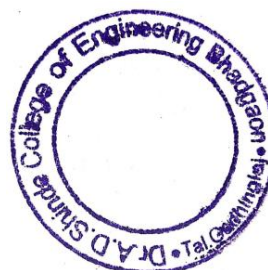

The workshop successfully provided an engaging and insightful experience, empowering participants with valuable tools for innovation and problem-solving. The interactive sessions and hands-on exercises enriched the learning process, making it a highly impactful even.

**Mode of Session delivery:** offline

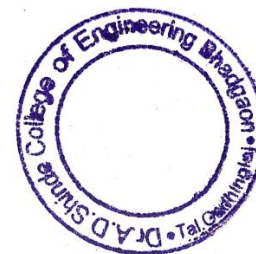

## Overview

### Objectives of this Program:

1. To familiarize students with the interdisciplinary components of mechatronics systems including sensors, actuators, microcontrollers, and mechanical elements
2. To enhance students' ability to conceptualize, design, and implement basic mechatronics-based mini projects.
3. To develop hands-on skills in prototyping and integrating hardware and software for real-world applications.
4. To encourage innovation and teamwork through the development and presentation of functional mini project prototypes.

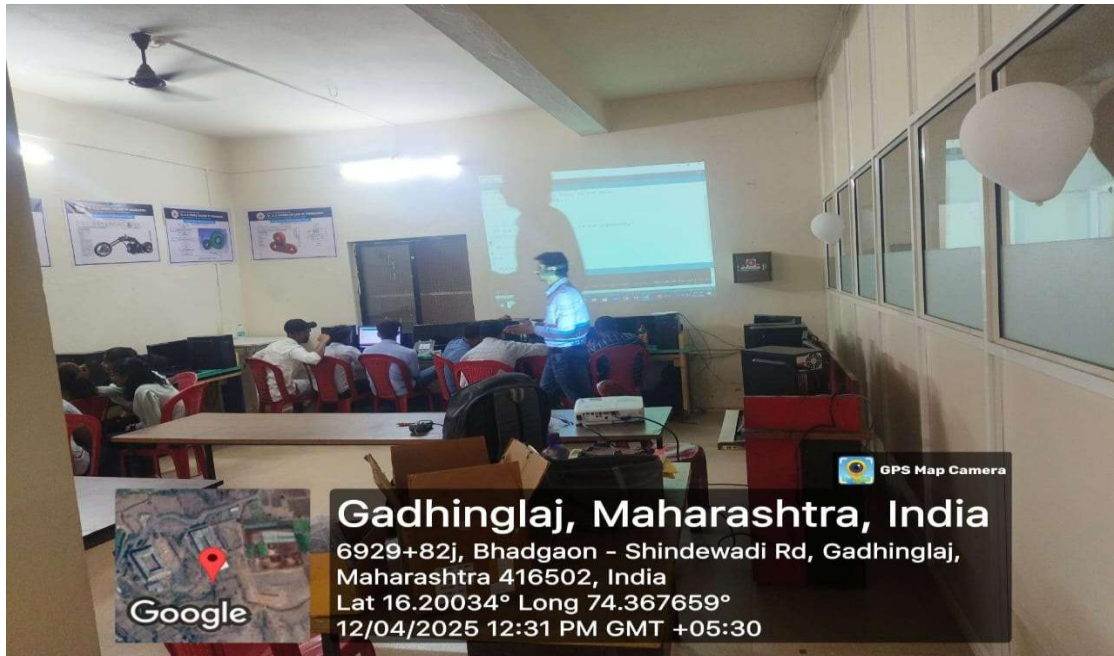

### Benefits in terms of Learning/Knowledge obtained

1. **Hands-on experience** with real-world mechatronics applications
2. **Improved technical skills** in sensors, microcontrollers, and system integration.
3. **Enhanced creativity and problem-solving** through project-based learning.
4. **Teamwork and communication** skills development during collaborative projects.

**Overall report of the activity:**

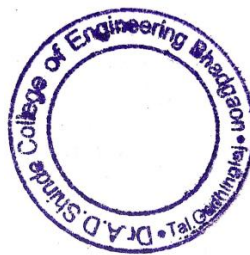

The "**Mechatronics – Do it yourself.**" was held on 11/04/2025 and 12/04/2025, at the **CAD Lab, Mechanical Department at DADSCOE, Bhadgaon.** A two-day workshop on **Mini Project Applications in Mechatronics** was successfully conducted to enhance students' practical understanding of mechatronics systems. The session introduced key components like sensors, actuators, and microcontrollers. Students actively participated in hands-on activities, building basic automation and robotic projects. The workshop encouraged innovation, teamwork, and technical creativity. Participants showcased their mini projects and received expert feedback. Overall, the workshop provided a valuable platform for bridging theoretical knowledge with real-world applications.
